

Parents,

In an effort to make the first day of school easier for your child, we are planning a **School Supply Drop Off**. Since parents can not walk students into school on the first day, as it is traditionally done, we will be setting up tables under the car rider porch for parents to drop off supplies. This will be like it was done for packet pick up and drop off last spring.

- Please place your child's supplies in a large kitchen size trash bag **labeled with their name and their teacher's name**.
- You can come by the school on Tuesday, August 11th through Thursday, August 13th from 7:00 am-5:00 pm to drop off your child's supplies.
- Simply put your child's bag on the table labeled with their teacher's name. Teachers will check their table periodically for supplies from their students.

We hope this makes for an easier first day of school for you and your child. We look forward to a great 2020-2021 school year!
