Principal's Message

What an exciting year this has been at Carver Elementary School! Over the past several months, our students have been given the opportunity to further develop their reading, writing, and math skills, while deepening their knowledge and understanding to demonstrate their learning. As a result of quality teaching, designed to meet the individual needs of all of our learners, I am elated to announce that Carver Elementary School has won the growth trophy for showing the most growth on the third nine weeks benchmark assessments. We will continue to provide an atmosphere conducive to learning to ensure our students are successful on the state assessments in May.

With Carver Pride,

Principal Hawkins

In the Spotlight!!!!

Administrator of the Month

Mrs. Daisey Hawkins

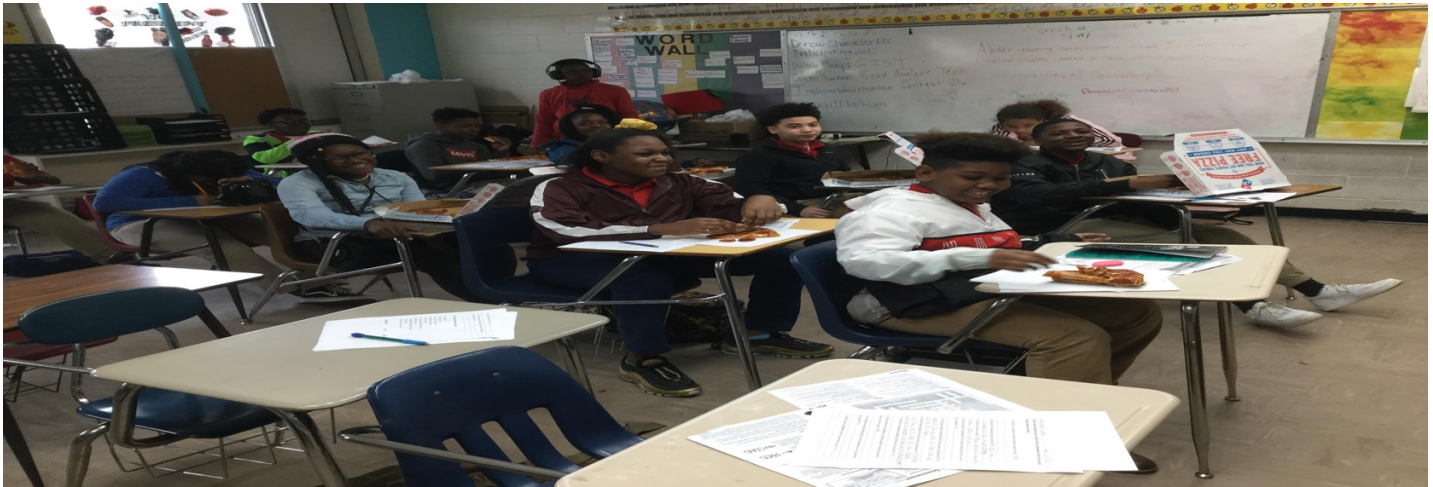

Carver Elementary School

All students with proficient or advance on their third nine weeks test received a 3 day pass to dress down.

“Pizza Please”

The students pictured are just some of the 432 students who had a chance to enjoy their pizza winnings for showing the most growth as a school.

Help us as we continue to encourage the students of CES in putting forth their best effort in reaching their goals. We are showing significant gains, but this must also be seen through their effort on their MAAP assessments.

Please support our babies by donating to the testing rally and Easter Egg Hunt.
