

Guardian Catholic School...under the watchful care of the Angels

On October 2 the Catholic Church observes a feast in honor of the Guardian Angels. This is a special day for Guardian Catholic since our school is named in honor of the Guardian Angels. God gave us guardian angels to protect and guide us. *In Psalm 91, verse 10, we read: "God will put you in His angels' charge, to guard you wherever you go."* Our angels point out to us the ways of God, assist us in work or study, and direct us to do good. Because angels always see and hear God, they can intercede for us. At the end of our daily school announcements, we pray to our Guardian Angels as a school community: *Angel of God, my guardian dear, to whom God's love commits me here. Ever this day be at my side to light, to guard, to rule and guide. Amen.*

When Should I Keep My Child Home?

Knowing when to keep your sick child home is more important than ever during this pandemic. The CDC has published a Daily Home Screening tool to help parents do a quick check of symptoms. Click [HERE](#) to review the screening tool. If a student has had close contact (*within 6 feet of an infected person for at least 15 minutes*) with a person with confirmed COVID-19, the parent should keep the child home and notify Sr. Cynthia Shaffer, principal, right away.
