Tuesday, April 21, 2020

Dear Families,

Hello. I hope this update finds you safe and well!

If you have any academic, counseling, food, or other needs, please let us know, and our staff will determine how best they can support you. Contact the school office at 503-429-1333 if you have any questions or needs.

As changes to Distance Learning For All slow down, the need for updates is slowing down also.

This will be the last Tuesday update. From now through June, this update will only occur on Fridays, and as needed if more timely communication is needed.

Here is the main update for today: Grading Policy

**The grading policy of Pass/Incomplete is in place for the remainder of this closure and school year.** This is a State mandated policy to ensure that all school districts are consistent in their treatment of students' grades, and to ensure equitability for our students.

This Friday look for an update to our overall K-12 Distance Learning Plan, as well as the latest update on Learning Packet Pickup on Mondays, and meal delivery throughout the week.

Thank you again for your patience through all of this! More on Friday. Take care and be well!

Aaron Miller, Superintendent
