37
38 **9. OLD BUSINESS**

39
40 **Michael Myers** asked if we had an update on the use of facilities requests that
41 were held at the last meeting? **Scott Campbell** responded that since the last
42 meeting, we have received an additional request from a girl's team coached by a

11
12
13 **12. BOARD OF EDUCATION COMMITTEE REPORTS**

14
15 **Michael Myers** commented that since we have established the committees and
16 recently passed some new policies, he would like the Board of Education
17 members to submit any policies they would like reviewed. A list will be
18 compiled and the committee will work through them and see what comes out of
19 the review.

20
21 **Scott Campbell** commented that on September 29th, he will be attending a
22 workshop on "Fiscal Accountability" and that he forgot to mention this in New
23 Business.

24
25 **13. PUBLIC - AGENDA/NON-AGENDA ITEMS**

26
27 This is the time when anyone from the public who wishes to speak to the Board
28 may do so. Please state your name, address and phone number. The Board will
29 hear your concerns. The Board may or may not take action this evening. You
30 will be notified either at this meeting, by letter or telephone of any action the
31 Board does take.

32
33 **Alisa Whitcraft**, Curriculum Supervisor/Interim Principal, Nehaunsey Middle
34 School, wanted to publicly thank Dr. Marteski for her service to the district.

35
36 **Susan Vernacchio**, 224 Phyllis Drive, Gibbstown, NJ, would also like to thank
37 Dr. Marteski for her years of service and that she will be sorely missed. She has
38 another concern; at the last meeting, the contracts for the Superintendent and
39 the School Business Administrator were again held and now the Superintendent
40 is retiring and the School Business Administrator is being offered a position at the
41 Paulsboro School District and what we are going to do about it? **Patrick Lani**
42 said you would have to ask them about their situations and he would not
43 comment. **Scott Campbell** responded that he had been offered the position at
44 Paulsboro but has not been presented with a contract and at this moment he is

1 still an employee of the Greenwich Township Board of Education working as
2 normal. **Mrs. Vernacchio** would like to volunteer to be on any committee that is
3 formed with community representation to conduct the Superintendent search.
4 She also commented that she hopes it is just a coincidence that they do not have
5 a contract or salary increases and that both the Superintendent and the School
6 Business Administrator could potentially be leaving.
7

8 **Jim Sorbello**, 26 North Poplar Street, Gibbstown, NJ, commented that the
9 boards' attitude toward Dr. Marteski and Scott Campbell has contributed to their
10 decisions to leave or possibly leave. **Patrick Lani** asked how he knew that? **Mr.**
11 **Sorbello** responded that by attending the meetings and by videotaping them, it is
12 apparent. **Mr. Lani** said that is your opinion. **Mr. Sorbello** asked the Board to
13 clean up their act before they lose more staff members.
14

15 **Lee Lucas**, 361 Democrat Road, Gibbstown, NJ, commented that he would not
16 like to see them go and hopes they are not being pushed out. He also doesn't
17 have a problem with anyone videotaping and he encourages the videotaping but
18 he wonders what the motive is. **Patrick Lani** said they have the right to video
19 tape. Mr. Lucas feels they are waiting for someone to slip up and the unions are
20 behind all the problems in the state and are too powerful.
21

22 **Sue McAlary**, Principal, Broad Street School, commented that she has been
23 involved in education for a long time and her time spent these last few years with
24 Dr. Marteski and Mr. Campbell have been the most rewarding. The education
25 was stagnant and Dr. Marteski empowered her and the teachers to think outside
26 of the box and now we have wonderful Math and Science Programs along with
27 other subjects. She also feels the teachers are more confident with their
28 instructional paths. In closing, she also wanted to say she has worked with many
29 Business Administrators and that Mr. Campbell runs an efficient office and she
30 wishes him success in whatever he does.
31

32 **Bridget DiGiambattista**, 246 Kirkbride Drive, Gibbstown, NJ, stated that last
33 year there was talk of consolidation and with Dr. Marteski's pending retirement
34 and the other possibility of losing another administrator, it appears that
35 consolidation could happen. Could the Board enlighten us to what they know?
36 **Patrick Lani** responded that he does not know anything at this moment and
37 consolidation is a thing of the future. **Michael Myers** asked if she meant
38 consolidation "township wise"? **Mrs. DiGiambattista** responded that she meant
39 consolidation between schools. **Mr. Myers** commented that there is a lot of
40 information out there on consolidation and it is Governor Corzine's intent to have
41 more shared services and it would have to be voted on and he would be
42 surprised if it was supported by the townspeople and he is against it.
43

1 **Lee Lucas** commented that he is against consolidation and that two out of the
2 last three years, our tax rate has gone down. He thanks everyone associated
3 with that.
4

5 **Christine Franklin**, 624 Betty Rose Avenue, Gibbstown, NJ, congratulated Dr.
6 Marteski on her retirement. She then commented that if we were having a
7 problem getting substitute teachers and that our daily rate may not be
8 competitive with surrounding districts, that we should consider increasing the
9 rate.
10

11 **Louis Fabiani** wants to thank Dr. Marteski for her years of service. He would
12 also like to emphasize that this was not a forced attempt by the Board to run
13 anyone out and that this was solely her choice.
