

POLICY TITLE: Curriculum
POLICY NO: 640

PAGE 1 of 1

This board has the authority and responsibility to adopt and carry on a total educational program that strives to meet the objectives established in its philosophy.

The curriculum for the schools within this district shall be cooperatively developed by school officials and community representatives and implemented by the professional staff under the direction of the principals and superintendent. The curriculum shall include the total program of instruction and related activities provided to students.

All statutory and State Board of Education requirements related to curriculum offerings shall be met.
