

U.S. YOUTH CONSERVATION CORPS JOBS SUMMER 2021

Location:	Lewis and Clark National Historical Park (Fort Clatsop)
Dates:	July 6 th , 2021 through Aug. 23 rd , 2021
Pay rate:	Minimum Wage
Work Schedule:	Monday through Friday
Work Hours:	40 hours per week (Daytime)
Age:	Must be at least 15 years old by job start and not older than 19 by job end

The Youth Conservation Corps (YCC) is a great chance to learn about the National Park Service through a summer work youth program that introduces young people to conservation opportunities in national parks.

Check it out at www.youtube.com/watch?v=3NFYb43zk-I

If selected, you will work with experienced park staff on a variety of projects, including painting, trail building and re-vegetation work as well as invasive plant removal and wetland restoration efforts. You will also help serve the park's summer visitors. Must have the ability to work outside and perform manual labor.

Applications available at: www.nps.gov/lewi/getinvolved/workwithus
Click on Jobs tab.

If you will be emailing an application back, you will need to use adobe acrobat. Save a copy of the application to your computer, open and fill it out in your adobe program, and then send us your revised version as an email attachment.

Applications are also available outside the front of the Fort Clatsop Visitor Center, Lewis and Clark National Historical Park, 92343 Fort Clatsop Road, Astoria, OR.

Please return applications no later than April 12th, 2021
