

The School Health Advisory Council (SHAC) assists the district in ensuring that local community values are reflected in the health education program. The council will address the continued implementation of a coordinate health program including health education, physical education, health services, nutrition services, counseling, healthy school environment, staff health promotion and family/community involvement. Our goal is to provide students with the knowledge and skills that enable them to adopt and maintain healthy attitudes and behaviors throughout their lives.

*If you are interested in serving on the **Etoile ISD School Health Advisory Council (SHAC)**, please complete the application below and email or fax it to:*

Robin Jones

Etoile ISD SHAC Chairman
