## **ATTENDANCE LAW**

**Ages of Compulsory Attendance – Every parent, guardian, or other legal custodian residing within the state of Tennessee, having control or charge of any child or children between the ages of six (6) and seventeen (17), both years inclusive, shall cause the child or children to attend public or nonpublic school, in the event of failure to do so, shall be subject to the penalties provided by law ( TCA 49-6-3001).**

## **ATTENDANCE**

\*Parents/Guardians are responsible for having the child at school daily, and on time.

Excused Absence will be allowed for the following reasons:

1. Personal illness
2. Death in the immediate family
3. Doctor's appointment which cannot be scheduled outside school hours
4. Any other excused absences must have the principal's or assistant principal's approval.

A written statement is required within 3 school days of any absence or tardy from the parent/guardian. Notes received after 3 days will result in an unexcused absence.

After 10 absences, a doctor's note will be required for the absence to be excused.

Unexcused Absence – Once students accumulate 5 unexcused absences, they will be subject to truancy charges. Parents/Guardians will receive a letter from the district attendance supervisor notifying them of the absences. Continued unexcused absences will warrant truancy charges being filed with the Carroll County Juvenile Court System.

\*It is a parent/guardian(s) decision to take their student out of school. The school, however, determines if absences are excused or unexcused.

## **TARDINESS and EARLY CHECK-OUT**

Tardiness. - If a student arrives at school after 7:55 a.m. they will be considered tardy. Students must be in the school building before this time to avoid being tardy. Being in the drop-off line is not considered "at school". When a student is tardy, a parent/guardian must accompany the student to the front office to provide a written statement. Students will be allowed 3 excused tardies per semester before possible action is taken. Excessive tardiness can

be classified as “educational neglect” and could be reported to The Department of Children’s Services.

Early Check-Out. Checking a student out early should only be used if other attempts to re-arrange scheduling conflicts have been attempted.

## **TRANSPORTATION**

**STUDENTS NEED TO BE TRANSPORTED IN THE SAME MANNER EACH DAY** unless an emergency arises that requires them to travel using a different means. This prevents confusion and keeps our students safe.

**Bus Transportation.** The bus system is run by the Carroll County School Board and is offered to students who reside within the school district. It is considered a privilege, and students are expected to abide by the rules of conduct.

### **To ride a bus:**

1. Call the county bus shop at 986-3093 and provide your 911 address
2. Dispatch will inform you of the bus number for that area
3. Call the bus driver to inform them that your child will begin riding the bus

**\*\*\*Any bus concerns can be directed to 986-3093.**

**Parent/Guardian Transport.** Parents or guardians dropping their student off will be expected to follow the drop-off and pick-up procedures.

1. **MORNING DROP-OFF** (located on Cox St. next to front office)
  - a. Exit vehicle *anywhere* along sidewalk (use right side of vehicle)
  - b. Parents DO NOT need to exit the vehicle, this allows for a steady flow of traffic.
  - c. Do not enter bus zones as indicated by painted lines and markers.
2. **PARENT PICK-UP** (located on Rollins Ave.)
  - a. K, 2, 3 students exit from kindergarten doors
  - b. 1<sup>st</sup> grade will exit from door in small parking lot
  - c. Teachers will escort students to vehicles. Parents please **STAY IN** your vehicle
  - d. Being patient and courteous will be a necessity.

## **TRANSPORTATION CHANGE**

State statute requires that students who are getting off the bus at an unaccustomed stop should have a parent / guardian fill out the Change in Destination Slip ( handwritten note ) and give it to a school official ( teacher or school secretary ) .

Please include the student's name, the 911 address of the destination, date/s of change, and parent/guardian signature.

If an emergency arises that requires a student to travel in a different way or to a different destination than normal, a SIGNED PARENT NOTE is required. **Any change of destinations need to be communicated to the front office before 12:00 p.m.**

## **BUS RULES**

Students have the privilege of bus transportation in Carroll County. In order to maintain that privilege, students are expected to abide by the rules of conduct. These rules apply while students are on the bus or on school property while waiting to board or transfer buses or while students are exiting the bus. More than one infraction may occur during one bus route. A student who is suspended from one bus is suspended from all county buses for transportation to and from school. The rules listed here are an outline of minimum consequences. Offenses will be documented and, if possible, parents will be notified. Students may not continue bus transportation upon the fifth violation of any sort.

## **SCHOOL RULES**

Huntingdon Primary has three basic expectations:

The Three Bs

- Be safe
- Be respectful
- Be responsible

All children will be explicitly taught the school wide behavioral expectations during the first few weeks of school. These lessons will highlight specific behavioral expectations in each area of the school including: instructional areas, hallways, cafeteria, recess, and bathrooms.

These expectations are based on these main ideas:

**1. Children need to know what is expected of them.**

In order to help our children know what is expected of them, every classroom and common area will have the same general guidelines. This will provide consistency for the students, which will make it easier for them to understand and learn each rule. The Three Bs will be posted in all classrooms and the students will become very familiar with them. It will also provide support to all the staff in the form of a common language. Any behavior can be addressed through the Three Bs.

**2. Children need to be directly taught the correct way to behave.**

During the first few weeks of school, each individual expectation will be taught in lessons. Some lessons will be taught in a large group, while others are taught in the classroom. Teachers will always model what the correct behavior looks like. This will help students develop a clear understanding of the behaviors that are acceptable and what is expected in the classroom and school.

**3. The correct behavior needs to be encouraged and acknowledged.**

Once a behavior is taught, the student needs to be motivated to use this new behavior in place of the less appropriate behavior. Reinforcement will be provided through positive feedback from all adults with whom the student interacts.

## **SCHOOL SAFETY**

Parents or visitors who come to school during the school day are asked to check-in in the school office before going to any part of the building. Our instructional time is strictly guarded and parents are encouraged to call ahead if the purpose of the visit is to meet with a teacher. During school hours all exterior doors will remain locked. A visitor must be buzzed in by a secretary before entering the lobby area. Visitors will be asked their purpose for entering the school and be asked to sign-in. School staff will determine if the purpose of the visit is appropriate and determine whether the request is permissible.

## **DRESS CODE**

Students will visit the playground daily. For their safety, all students need to wear **TENNIS SHOES** for running, climbing, & playing. **TENNIS SHOES** are also required in our gymnasium to protect our specialized floor. **PLEASE AVOID** sending your child with a change of shoes. Time is limited and time is **NOT** allotted for changing shoes before physical activity. Clothing should be comfortable and appropriate. Students should not wear clothing that could be a distraction to the learning environment. **UNNATURAL HAIR COLOR AND MOHAWKS** will **NOT** be permitted. **In the judgment of the principal, if a student is in violation of our dress code, parents will be notified to assist in correcting the issue.**

## **CELL PHONE POLICY**

The use of cellular telephones, by students, during school hours has risen dramatically during the past few years. Due to the age of our students at Huntingdon Primary School, students should not bring cell phones, tablets, handheld electronic games, or smart watches to school or onto the school bus.

Students have access to tablets and Chromebooks during the school day for academic purposes and all telephone calls regarding students will be handled through the school office.

## **ILLNESS**

Children who are sick should not attend school. Elevated temperature (100 degrees or greater), sore throat, vomiting, diarrhea are symptoms to consider. *Untreated* impetigo, scabies, lice or ringworm are other reasons not to send a child to school. Illness is easily spread by children leading to other students being infected. If it is necessary for your child to take any medication during the school day, a parent/guardian must bring the medication to school and complete a Medication Dispensing Form.

## **HUNTINGDON SPECIAL SCHOOL DISTRICT MEDICATION POLICY**

Huntingdon Special School District requires that all medications must be delivered to school in person by the parent/guardian of the student or the parent's adult designee.

**NEVER SEND MEDICINE OF ANY TYPE TO SCHOOL WITH YOUR CHILD.**

**MEDICINE CANNOT BE TRANSPORTED ON THE SCHOOL BUS.**

**YOUR CHILD CANNOT BRING MEDICINE TO SCHOOL AND SELF MEDICATE.**

If medication is brought to school by a child, the medication **will not** be dispensed until a parent/guardian/parent's designee comes to school to verify and sign for the medication with school personnel. If verification is not obtained, the medication **will not** be returned to the child. A parent/guardian will be contacted to pick up the medicine.

All prescription medication must be brought to school in the original, pharmacy labeled container. Please no mixing of medication in the same bottle. (You may want to ask your pharmacist to give you an extra bottle with a label on it, one for home and one for school.)

It is required that all non-prescription medication (example: Tylenol) be brought to school in a **sealed** manufacturer's original container and label, and the student's name affixed to the container

**No Ziploc bags/baggies, unlabeled bottles or expired medications will be accepted.**

All unused medication will only be returned to the parent/guardian/parent's designee. If medication is not picked up within two weeks of the request being made, the medication will be discarded. No medication will be stored over the summer; medications left at the end of the school year will be discarded before the summer break begins.

I have read the above policy and understand that my child can only take and receive medication at school by following the medication policy. A violation of this policy will result in parent contact and disciplinary action for the student.

## **SUSPECTED DRUG EXPOSED CHILD**

1. Any person who suspects Methamphetamine exposure or a drug endangered child will contact the Department of Children's Services Centralized Intake number (1-877-237-0004) and/or Carroll County Sheriff's Office (731-986-8947). This is in accordance with TCA 37-1-403.

2. If there is any suspected methamphetamine contamination of any person or property on school grounds, the Carroll County Sheriff's Office will be notified immediately (731-986-8947).

## **TEXTBOOK AGREEMENT of PARENT/GUARDIAN**

Parents are responsible for textbooks given to students for instructional purposes by the Huntingdon Special School District. The following regulations pertain:

1. Textbooks must not be defaced, marked in with a pen, or pages torn. Textbooks must be kept clean and returned to the teacher when the student leaves school or is promoted to the next grade.
2. Students will be fined if textbooks are defaced.
3. If a student damages a book, he/she must pay for it on the following basis: NEW condition (full price); USED condition (prorated costs according to the age of the book).
4. If a pupil loses a book, he/she will pay for the book according to Board Policy.
5. Students will not receive credit for work unless books are returned and fines settled.

## **RTI Screenings and Intervention**

New Federal laws have directed schools to focus more on screening all children earlier to address problems sooner, before the child is so far behind that a referral to special education is warranted. By that time many children have missed important intervention time and fall further behind.

Simply, 'Response to Intervention' (RTI) refers to identifying how well your child responds to different types of teaching. The essential elements of an RTI approach are: the provision of scientific, research based instruction and interventions in general education; monitoring and

measurement of student progress in response to instruction and interventions; and the use of these measures of student progress to shape instruction and make educational decisions.

We want to inform you that screening assessments will be performed to assist in determining the best possible instructional needs for your child in the areas of reading.

Different screening procedures and appropriate educational tests may be performed depending on your child's reading scores. Information from this will be exchanged between your child's teacher, Heather Kee, Reading Specialist, and Katie Price, psychologist. Anything revealed in the process may be included in a report that may be written. You will receive a copy and be updated on your child's progress and screening results. Your child's results will not be shared with anyone else without a signed release. You have the right to limit or revoke the release at any time.

Your signature on the Parent /Student Consent 2020-2021 form indicates that you have read and understand the information above and give consent to the RTI screenings by teachers, Heather Kee, and Katie Price.

## **SCHOOL BREAKFAST AND LUNCH**

Students are encouraged to eat breakfast and lunch provided by the school. Costs are as follows:

	<u>Breakfast</u>	<u>Lunch</u>
