Welcome to 1st Grade!

I am excited to welcome you to the 2020 - 2021 school year! I am looking forward to having your child as a student. First grade is such a fun year with so many wonderful learning opportunities to celebrate. In order to have a fun year, my most important goal is to create a family of learners in my classroom. I am committed to creating a classroom environment where your child is a valued, trusted, and integral part of our family of learners. In order to accomplish this, I have planned a variety of activities to emphasize and reinforce this goal. It is my hope that you will support and encourage this vision as we work as partners in your child's education.

All About Me!

Hello! I am Regina Trice, and I currently live in Perry with my husband and our two daughters. I have a 2nd grader that attends Lake Joy Primary and a 6-month-old. This will be my third year teaching 1st grade. I have been here at Parkwood for a total of 4 years.

I attended Georgia Southern University in Statesboro, Georgia, where I received a Bachelor of Science in Early Childhood Education degree. Once an Eagle, always an Eagle! I also have an endorsement in Gifted Education.
