

May 3 call out notes:

- We are looking forward to another week of learning and leading together.
- We wanted to thank you all for your support during our read-a-thon. Our school raised \$8,000 and our students read over 22,000 minutes. We can now order our new merry go round and make even more improvements on our playground.
- This week is teacher appreciation week and we start by celebrating our staff tomorrow. Everyone wear your teacher's favorite color. Check out our website or Facebook page to find ways you can help us show our appreciation each day this week.
- All of our students will participate in DIBELS Next this week. This assessment helps us measure our student's performance and growth. We are excited to see how much our leaders have learned this year.
- In your child's Tuesday folder this week you will receive a QR code for a very important survey. Please complete this survey and let your child know you did so and they will get a free slushy on Friday. We use your input to make improvements at our school and your input is very valuable.
- Also make sure to review the PPS May newsletter for upcoming events.
- Our spirit day this Friday will be Glow in the Dark for National Space Day!
- Thank you for your continuous support.
