March Edition

Principal's Message

Carver's School Feud was a success. It was such a joy to see the students have so much fun competing against each other. As you may know, teachers have been diligently working with students to prepare them for the 3rd Nine Weeks assessments beginning on Tuesday, March 5, 2019. After Spring Break, learning will be in full swing as students strive to make the most academic and social learning gains for the state assessments in May. More information will be coming for parents as how to best support your child/children in both preparation and success.

With Carver Pride,

Principal Hawkins

"School Feud"

On February 27, 2019, we showcased another "School Feud" with new students and a new coordinator, Ms. Christina Smith. We had six teams: The Equalizers led by Mr. Lockhart, The Bluebirds led by Mr. Gibson, 'Da' Game Changers led by Ms. Moore, the Fantastic Seven led by Mrs. Kirkham, the Fireball led by Mrs. T. Fairley, and the Thunder Cats led by Mrs. T. Smith. The teachers worked hard with the students to display what they have been learning in the classes. The competition became intense as two teams faced off in the bonus round. It was now between Jaylon Gibson from Mr. Gibson's Bluebirds and Alaylah Corner from Mrs. Kirkham's Fantastic Seven team to claim the victory. The fight for the title was tough since they both kept answering the bonus questions. In the end, Alaylah Corner was victorious securing the win for Mrs. Kirkham's Fantastic Seven. Our students enjoyed working for school level bragging rights. Now we work to gain district level bragging rights with our benchmarks and with our state assessments. Let's keep encouraging our students to work hard so we all can celebrate together. **(Please see pictures of the event on the back.)**
