[High School Program of Studies](#): The High School Course Selection process can be greatly enhanced by having parents and students review the course offerings prior to the arrival of the HVRHS counselors to your individual schools in late February to register students in PowerSchool. Take the time to review the program of studies with your 8th grader.

### **Music Department News**

**PAPER TOWEL ROLL DRIVE**: 5th graders will be making their own string instruments in the following weeks in Music class. We could use any extra paper towel rolls, tissue boxes, and other cardboard scraps from your households to help make this possible. Please consider sending these items into school with your child to donate to the Music classroom! 5th graders may also use any from-home item they would like to add to their instrument, like rubber bands, duct tape, or construction paper. But Mrs. Mauro plans to have similar items in the classroom already for them to use.

**5th grade BAND BEGINS SOON**: 5th grade full Band practices will begin on Tuesday, February 12, which is a Day 3. Starting that day, all 5th grade Band students will need their folders, books, and instruments on Day 3s as well as their lesson Day. 5th grade will practice every Day 3 after lunch.
