Dear Students and Parents of the Class of 2020,

Believe it or not, senior year is right around the corner! Filled with once-in-a-lifetime events, special friendships and milestones – this is a year to remember and to celebrate all you've achieved. One keepsake that will continue to bring these memories to life are your senior portraits.

Prestige has been selected to be your official senior photographer for our popular line of portraits, award-winning photography, graduation announcements and competitive prices. All portraits are 100% guaranteed!

You are under no obligation to purchase personal portraits; however, **all students must be photographed by Prestige in order to be included in the yearbook!** Your appointment is enclosed in this packet. You will receive a reminder card approximately 2 weeks prior to your photography session. **Please do not disregard this appointment information.** All students must be photographed in order to appear in the yearbook. If you are unable to make your scheduled appointment, please call us so that your son or daughter may be rescheduled at a more convenient time.

Prestige Portraits by Lifetouch, will set up a complete mobile studio at **Frazier High School** on **July 29th and 30th**. Our Prestige Portrait sessions are explained in the enclosed brochure. A Yearbook only session will also be available at no charge. If you would like to request additional information or speak with a member of our customer service team regarding your particular senior portrait requests, please call 724-482-6101, Monday – Thursday, 9am – 3pm.

We hope that by providing this information to you early enough, you will have a clear understanding of the senior portrait process. Please do not be fooled by studios misrepresenting themselves as the official yearbook photographer. Prestige Portraits is the only studio contracted with your school to provide senior portraits.

Our professional staff is looking forward to photographing and serving the Class of 2020!

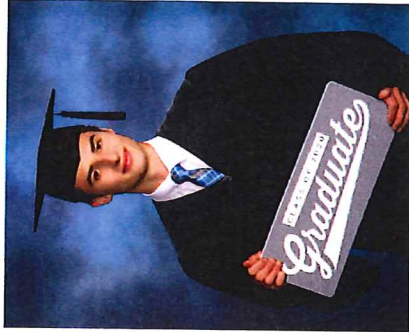

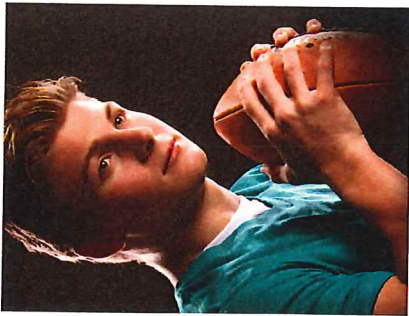

Sincerely,

Christopher S. Kukla
