VOLUME 3, ISSUE 1

Deposits &  
Withdrawals!

Learning Earnings (replacing GOTCHAs) will now be incorporated into each teacher's grade book in INOW. Learning Earnings is an educational resource that is dedicated to supporting teachers and motivating students. Teachers, you'll set the bar for your students' success. Incentives will help students not just reach that bar, but surpass it. After they do, students can choose their prizes from a range of Learning Earnings Rewards! Let's continue to deposit greatness into our students, allowing them to make pleasurable withdrawals!
