Good evening, this is Deb Cantrell from Fannin Middle with a few announcements. First, a letter was sent home today requesting your input on our Title I Parent Involvement funds. Your feedback is appreciated. Also, please remember that our school and district level parent involvement plans along with our school improvement plan can be found on our website fcms.fannin.k12.ga.us. Lastly, remember, there will be no school on Monday, September 7th. Thank you and enjoy your long weekend.
