Dear Principal or Counselor:

The Montgomery Chapter of the American Society of Military Comptrollers (ASMC) invites you to nominate a deserving student(s) to compete in our annual merit scholarship program. The student(s) must be a graduating high school senior with a GPA of 3.0 or greater, and **entering a field of study directly related to financial/resource management (such as business administration, economics, accounting, finance)**. Applications that do not fall within these parameters will not be considered. The scholarship is a financial grant to recognize academic and personal achievement.

Our chapter will be awarding one scholarship for $1,000. In addition, the local winner will be endorsed as the chapter nominee for the National ASMC Merit Scholarship Program that awards eleven additional scholarships: one for $3,000, five for $2,000, and five for $1,000.

The student should complete the **Applicant (Student) Data section of the attached application and include two letters of recommendation – one from either** the principal, academic dean, or guidance counselor; and **one from** a high school teacher. The selection criteria form and letters are limited to one page each and should discuss the nominee's scholastic achievements, leadership ability, extracurricular activities, career goals, and financial need.

In order to meet the national deadline, please send your nomination package with the completed form and letters of recommendation**, postmarked by February 15, 2020**, to the following address:
