Parents and Guardians of Potential Open Enrollment Students,

Thank you for your interest in the Oracle Elementary School District! Your child and their peers are at the center of each decision we make at Mountain Vista K-8 School. Our highly dedicated staff, academic programs, and extracurricular opportunities are designed to provide your child with an exceptional educational experience.

In order to provide the greatest opportunities possible, each year we determine how many open enrollment students we can accommodate. The following will be taken into consideration when approving open enrollment applications:

- Current open enrollment students and their siblings will be given first priority for open enrollment during the upcoming school year.
- Our Governing Board approved class sizes for Grades K-8 and Special Education caseloads.

Students who have applied for Open Enrollment may be placed on a waiting list if capacity is exceeded. Parents and guardians will be notified in writing whether or not their child's application has been accepted, denied, or if their names are on a waiting list.

If you wish for your child to attend Mountain Vista School for the 2021-2022 school year, please complete the attached Open Enrollment Application Form.

Thank you,

Crystle Nehrmeyer  
Superintendent
