February 25, 2019

Flo5-2019-IC

The School District of Florence County appreciates your interest in the District's IC RFP (Flo5-2019-IC) for reimbursement through the Federal E-Rate Program. There were two proposal responses that were overall the most cost effective solution for the District; therefore, per the terms and conditions set forth in the RFP and the responses the District received, and pending full compliance with Local and Federal Procurement Requirements, the district is awarding Contract Number Flo5-2019-IC to multiple vendors (2). This contract does not obligate the District until such a time that a Purchase Order is issued.

Based on a 100 point scale, the proposal responses received scores as follows:

<u>Switches</u>	<u>UPS</u>	<u>Fiber</u>
ANC – 88.75	Pinnacle – 90.00	Pinnacle – 90.00
A3 – 80.00	A3 – 68.75	ANC – 77.50
Pinnacle – 67.50	CNIC – 46.50	CNIC – 57.75

The district appreciates the time and effort your company committed in submitting a proposal response and we sincerely hope that you will participate in any future Request for Proposal solicitations the District posts in the future.

Sincerely,
