

Piedmont High School Improvement Three-Year Plan 2019-2022

Piedmont High School

Vision

Provide a quality education that empowers our students to meet the challenges of today's global society.

Mission

To provide a high quality education through shared responsibility.

Beliefs

- All students can learn.
- Our school must provide a rigorous academic curriculum with high goals and expectations for all students
- That positive relationships and mutual respect among students, parents, and staff result in enhanced learning.

Improve Math perform grow

Objectives

- Students will increase annually on growth/proficiency in math scores on the ACT from the PreACT

Critical Initiatives

- ACT Prep - Create a period specifically for juniors taking the ACT and focus on math prep, all math teachers will implement ACT strategies in core classes, ACT vocab will be included in all classes.
- Students work on programs specifically designed to improve math comprehension and skills
- Culture - Create a culture where students strive to improve on their math ACT scores by taking assessments on their own, coming to free prep, checking out or logging into study guides

Improve Reading Growth

Objectives

- Students will increase annually on growth/proficiency in reading scores on the ACT from the PreACT

Critical Initiatives

- ACT Prep - Create a period specifically for juniors taking the ACT and focus on read prep, ELA/SS teachers will implement ACT strategies in core classes, ACT vocab will be included in all classes.
- Students work on programs specifically designed to improve reading comprehension and skills
- Culture - Create a culture where students strive to improve on their reading ACT scores by taking assessments on their own, coming to free prep, checking out or logging into study guides

Technology Integration

Objectives

- Students will use technology in a variety of ways to increase their possibilities to learn

Critical Initiatives

- Students work on programs specifically designed to improve academic success and engagement

Prof Development

Objectives

- Educators will have increased opportunities to attend data meetings and prof development

Critical Initiatives

- Data and PD days will be implemented throughout the summer and school year to allow for educators to improve their pedagogical skills
