Jill collects things. She likes to collect rocks because she thinks rocks are pretty. Jill has a little brother named Ben. He follows her around.

Jill goes outside to find rocks. She walks with Ben up to the large rock. Jill picks up one rock and screams, "Ahh, worms are underneath this rock!"

Jill walks over to another rock. Ben runs up to the rock. Jill picks it up and screams, "Ahh, a spider is on this rock."

Jill looks for another rock. She sees a small rock. Ben walks behind her. Jill does not pick up the rock. "There are ants all over this rock!"

Jill spies a large rock. Ben walks behind her. "I cannot pick up this rock," Jill says, "There is a grasshopper sitting on it."

Jill walks over to another rock. Ben walks right behind her. "Ben, why are you following me? What are you collecting?"

Ben holds up his net. "I am collecting bugs."
