

EARLY GRADUATION

Students who wish to graduate early will be required to meet with a guidance counselor and submit written notification to the principal. The guidance counselor will notify the student's parents or guardians of the student's decision if the student is a dependent. The student will receive a diploma if the student has met the East Carter County R-II School District's graduation requirements.

The student who chooses early graduation will be allowed to participate in the spring graduation ceremonies but will be considered an alumni for all other activities.
