INTERNET USE POLICY

Internet and network access is provided to the students and staff at the Choctaw Virtual Learning Center. Computers are tools with which to perform research, retrieve information, compile data, and create documents.

By signing, the Acceptable Use Policy, the students, staff and students' parents/guardian agree to obey the rules outlined in the Acceptable Agreement/Use Policy. This document describes responsibility for use of the network and internet and also consequences when the privileges, not a right, and inappropriate use will result in a cancellation of these privileges.

NETWORK ETIQUETTE: (Users are expected to abide by the general accepted rules of network etiquette.)

These include but are not limited to the following:

- Be polite. Messages should not be abusive to others.
- Use appropriate language. Do not swear, use vulgarities or any other inappropriate language.
- Do not reveal addresses, credit card numbers, and/or phone numbers.
- Illegal activities are strictly prohibited.
- Electronic mail is not guaranteed to be private. People who operate the system have access to all mail.
- Messages relating to or in support of illegal activities may be reported to the authorities.
- Do not use the network in such a way that others' use of the network would be disrupted.

USERS AGREE TO ABIDE TO THE FOLLOWING:

- Use of the network must be in support of education and research.
- Users must not reveal their password or use other user's passwords.
- Users shall not damage computers, computer systems or computer network, which includes altering software components of a computer or system.
- Users are prohibited from transmitting or intentional receipt of hate mail, harassment, and other antisocial behaviors on the network.
- Users shall not use the network to access or process pornographic material, inappropriate text files, or any illegal activity.
- Users agree not to use the chat rooms.
- Users agree not to send chain letters.
- Students agree not to play games on the computers unless authorized by monitoring staff member.
- Students shall not send, receive or check personal E-mails, except with permission before or after school.

COMPUTER LAB USAGE:

- Staff members assigned to a group of students are responsible for monitoring and overseeing their network/internet activity.
- No food or drinks allowed in the computer labs.
- Teachers are expected to have lesson plans before students use of the internet, which includes researching sites that are used.

CONSEQUENCES OF UNACCEPTABLE USE ARE:

- Suspension and/or termination of network and internet privileges.
- And /or additional disciplinary action as determined at the administrative level regarding unacceptable language and/or behavior.
- And/or referral to law enforcement authorities for criminal or civil prosecution.
