To say these are some strange times we're living in has to be the understatement of, at least, the decade. Terms that we had never heard of just over a month ago have now become household words we use every day. Coronavirus and COVID-19 not only dominate the news cycle, but also dominate our thoughts, especially, since many of us have so much more time on our hands.

Proverbs 9:10 says, "The fear of the Lord is the beginning of wisdom, and knowledge of the Holy One is understanding." Wisdom here means, "good sense" or pertaining to judgment; and in our environment, it means we listen, take heed and be smart with the decisions we make. Hebrews 11:6 tells us, "And without faith it is impossible to please God, because anyone who comes to him must believe that he exists and that he rewards those who earnestly seek him." Those of us who follow after Christ must walk in faith, but not at the expense of using the good sense God gave us. So, be careful out there. God is faithful to his people.

No better way have we seen evidence of your faith than in your faithful giving. You have truly been a blessing to us by your faithfulness and we consider it an honor. This would also seem to indicate that God is using this radio ministry to be a blessing. Thank you so much, we, literally, couldn't do this without you. Keep fighting the good fight of faith!
