Parents, please be sure to take the Parent Satisfaction Survey by March 5th!

English Version:
<https://www.surveymonkey.com/r/PSS2021>

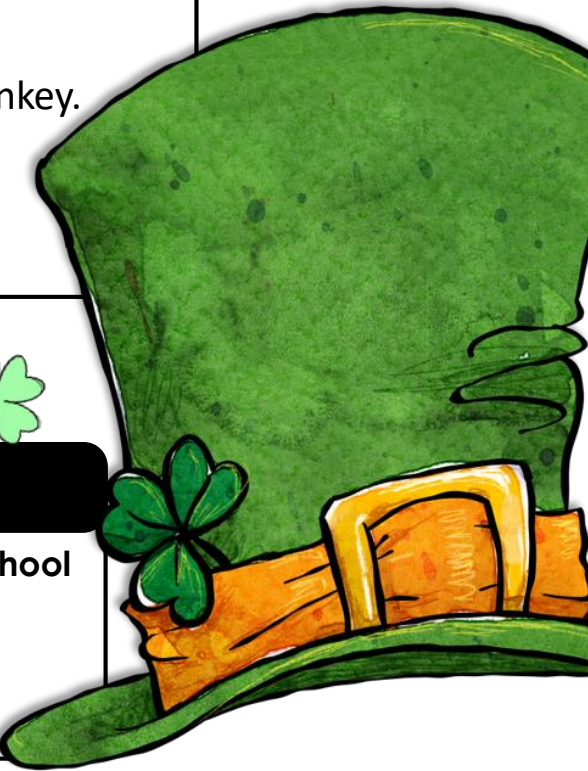

Spanish Version:
<https://www.surveymonkey.com/r/SPSS2021>

BE Kind
BE Engaged
BE Responsible
BE Safe

Reminders

- The parent satisfaction survey is very important for our school to get feedback about our programs and events! Please make sure to take a few minutes to complete it. 😊
- Please send your student with a water bottle every day.

TUCKER ELEMENTARY SCHOOL

Hello Tucker Families!

March will be jam-packed with events for you and your families to participate in. The first week of March is Dr. Seuss Week, and we will have different dress-up days for the whole week.

Monday- Many Colored Monday (Wear many different colors); **Tuesday-** Cat in the Hat day (Wear a crazy hat); **Wednesday-** Red Fish, Blue Fish (Wear mixed up clothing); **Thursday-** Pajama Day; **Friday-** Green Eggs and Ham day (Wear green). We hope that your student will participate!

We will be having a Parent Action Team Meeting on March 8th, at 5 P.M., please join us to share feedback on our family engagement events. This month we will also be hosting a GMAS night that will discuss different components of the Georgia Milestones, how to navigate the GMAS website, and study tips for your students. There will also be a couple of different meetings for you to give your feedback about our school and our family engagement program.

At the end of March, we will be celebrating School Board Appreciation Week. Please make sure to thank our board members! Also, at the end of the month our 5th grade students will be taking a virtual trip to Perry Middle School! At the end of March we will have Spring Break; we hope that everyone makes memories and has a wonderful week!

What is GMAS and how can I help my student prepare?

The Georgia Milestones Assessment System is designed to provide information about how well students are mastering the state-adopted content standards in the core content areas of English language arts, mathematics, science, and social studies.

The night before:

- **Relax!** There are a lot of good reasons NOT to study the night before test day. You shouldn't study for more than an hour on the day before you take the GMAS. Your brain needs to rest in order to do its best.
- **Avoid screen time.** You're going to need to get a good night's sleep, and bright screens (televisions, phones, movies) will wake up your brain and make it more difficult to drift off at an early hour.
- **Have a healthy dinner.** Drink lots of water and load up with complex carbohydrates, just like marathon runners do: potatoes, pasta, and rice are good choices here, as well as protein and vegetables.
- **GMAS Resources:**
- <https://www.gadoe.org/Curriculum-Instruction-and-Assessment/Assessment/Pages/EOg-Study-Resource-Guides.aspx>
- <https://www.gaexperienceonline.com/>
