

# **GLENBURN HIGH SCHOOL 2019-2020**

## **Mission Statement**

The mission of the Glenburn Public School is to provide a comprehensive educational experience through continued self-analysis in order to empower all students with knowledge, skills, and attitudes to meet the challenges of our changing world.

## **WELCOME**

The staff of Glenburn High School extends to you a warm greeting and a willingness to help you through the years that you will spend with us. This handbook is not meant to be all inclusive, but is supplemental to school board policies and state requirements.

## **ABSENCES**

If you are absent from school, contact should be made with the school to explain your reason for absence. Immediately upon your return after being absent from school, you are required to obtain an admission slip from the principal or school secretary. A brief note from your parent, guardian, doctor, etc. may be required to explain your absence. Obtain permission from the secretary to go to your car.

## **ACADEMIC REQUIREMENTS**

No student shall enroll in fewer than six classes. Band may be counted as one of the six classes. A student may take less than the normal load if he/she receives special permission from the principal. Students are encouraged to enroll in as many classes as they can handle.

## **ALCOHOL, NICOTINE, DRUGS GUIDELINES**

The use or possession of alcohol, nicotine products, or drugs by students is strictly prohibited. This is consistent with North Dakota State Law. Glenburn School follows NDHSAA rules and Glenburn School Board policies. These policies forbid the use or possession of tobacco/nicotine products, alcohol, or other drugs in the school building, on school grounds, on school buses or at school functions, and outside the school functions. Violations of

these policies will result in the following consequences:

The use or possession of tobacco/nicotine products, alcohol, or any controlled substance as defined by North Dakota Law is prohibited. Any student who is in violation of the foregoing shall be suspended from participation in interscholastic contests and Glenburn Public School sponsored activities for a minimum period of six consecutive school weeks for the first offense and a period of 18 consecutive school weeks for any subsequent offense.

The following rules and regulations concerning Glenburn Public School sponsored activities were established to govern all school activities

Extracurricular activities are activities that a student elects to participate in and does not receive academic credit for participation. This includes any and all Glenburn School sponsored activities or events.

Co-curricular activities involve student participation in a regular class setting along with activities organized and directed by the teacher in which the student must participate as part of the class requirements. Examples of co-curricular activities are music, FFA and yearbook.

1. A student may practice but may not participate in games during suspension.
2. A band or choir student may practice and participate in activities, which are considered class requirements but may not represent our school in NDHSAA sponsored events. A student may not travel on away activities that result in any missed school time.

These rules will be applied to all Glenburn Public School students.

## **Extra-Curricular Activities Infractions/ Suspensions**

1. First offense - 6 weeks
2. Second offense - 18 weeks

Any infraction occurring during the summer months will have suspensions, which will begin, at the beginning of the fall sports schedule for fall athletics participants or the start of school for non-athletic participants. Any suspensions occurring in the spring, which are not completed by the end of the current year, will be carried over to the fall or next activity, whichever comes first.

Students who violate these rules:

1. Will not be allowed to participate in any activity that is sponsored by the NDHSAA or in which Glenburn School is involved during the term of the suspension (note the ruling for band and choir).
2. Will not receive any special awards given out by the school that could possibly have been earned during the time of their suspension.
3. If the infraction occurs during a sports season, that participant will not earn a school letter for that particular sport.

**Guilt by Association:** Any student attending a party where alcohol or drugs are being used illegally, will automatically be suspended from all extracurricular activities for six weeks for the first offense, eighteen weeks for any offense thereafter.

## ASSEMBLIES

Attendance is required at all assemblies. Proper applause shows good manners, while whistling, stomping feet and yelling have no place in a well-mannered student body. All speakers deserve the courtesy of your full attention.

## ATHLETICS

1. Curfew for all athletes, managers and cheerleaders will be 11:00 p.m. on weeknights and 1:00 a.m. on weekends. Curfew will be 10:00 p.m. on nights that precede games even if it occurs on a weekend. Violation of this rule results in:
  - 1st Offense: 1 game suspension
  - 2nd Offense: 2 game suspension
  - 3rd Offense: Removal from the team
2. The use of profanity by athletes is not allowed.
3. **Students of the opposite gender are to remain separated on the player bus.**
4. Dress clothes should be worn to school on game days and on road trips. \*\*Coaches may add rules for their players such as wearing travel gear instead of dress clothes.

## ATTENDANCE ON DAYS OF EXTRA-CURRICULAR ACTIVITIES

Students shall be present by noon the day of all extracurricular activity if they are to be allowed to participate. Exceptions shall be allowed at the discretion of the administration for appointments

and other activities that cannot be scheduled at other times.

## ATTENDANCE

Attendance laws govern students in any North Dakota public school. These laws require all children between ages 7 and 16 to be in attendance every day school is in session. The law cites illness and certain other incapacities as exceptions to these requirements. The law provides local school boards the authority to establish standards for attendance. The school board recognizes regular attendance as necessary to ensure continuity in the educational process. Classroom learning experiences are a meaningful and essential part of any educational system. Time lost from class is irretrievable; particularly for a student's opportunity for interaction and the exchange of ideas with classmates and teachers. The Glenburn school district considers consistent and timely attendance a primary student responsibility.

Regulations that apply to student absences:

1. Attendance is the responsibility of the student and his/her parents or guardians. This responsibility includes being aware of the school district standards for attendance, informing appropriate school officials of reasons for any absence of the student, and developing an acceptable attendance pattern for the student.
2. School personnel are responsible for keeping parents/guardians and the student informed of attendance patterns not meeting district standards.
3. School work missed by the student during an absence shall be made up regardless of the reason for the absence.
4. Students shall be in attendance a minimum of 160 days per school year to be pro-rated to apply to each semester - 80 days.
  - A. Students may miss up to 10 days per semester without penalty. These days however must be for excusable reasons such as sickness, doctor appointments, or funerals.
  - B. After missing the maximum of 10 days per semester, students will be required to make-up school time regardless of the absence reason as deemed necessary by the administration. This time may be made up after school or on Saturday.

Definitions:

For the purpose of this policy:

- Excused Absence is defined as absence caused by illness, injury, family emergency, religious observance, suspension, participation in school related activity, court appearances when subpoenaed, or other reasons deemed excusable by the building principal or superintendent. The superintendent or designee shall develop criteria for requesting and granting an excused absence and shall establish make-up work requirements.
- Unexcused absence is defined as an absence that is not an excused and/or has not been approved by the building principal or superintendent. Unexcused absences include, but are not limited to, being absent from class or a scheduled activity during the school day without a parents/guardian's consent and appropriate school approval. If a student is absent for an unexcused reason, the parent/guardian shall still be responsible for calling the principal's office to explain the absence.

The superintendent shall develop standards that define what constitutes a violation of compulsory attendance law. Suspected violations of the compulsory attendance law shall be investigated in accordance with law. When a compulsory attendance violation is substantiated, the district shall comply with reporting requirements under the law.

## **BAND AND CHOIR**

Band and choir courses are considered co-curricular offerings; students under suspension will be allowed to participate in the courses for the purpose of completing class requirements. They will not be allowed to take part in or audition for any contests, festivals, or activities sanctioned by the NDHSAA, which involve representing the Glenburn Public School. Students under suspension will be allowed to perform at athletic performances and concerts, which are necessary for earning credit in the respective courses.

## **BUS DISCIPLINE**

Bus drivers have the same authority as any other staff member. They are obligated to enforce all rules of the school. Students will adhere to all bus regulations formulated by the school. Disruptive behavior on a school bus will not be tolerated. It only takes a split second of bus driver

distraction to cause a serious accident. The administration will rely on the discretion of the bus driver. He/she will not be able to see everything that happens on the bus. The bus driver will report what they see. If a student is disruptive on the bus, action will be taken against the student who is seen regardless of whom else is involved. Disruptive behavior includes standing up, shouting, fighting, swearing, and throwing any object, teasing, or any other behavior that may endanger the safety of the other students on the bus. The bus driver will verbally warn students once that their behavior is not acceptable. The student's name will be turned in to the principal and parents will be notified. If unacceptable behavior continues bus-riding privileges will be suspended or revoked.

## **CHURCH AND SCHOOL**

Wednesday is church night in the Glenburn community. All school activities will end at 6:00 p.m. or earlier on this day. There will be no Jr. High activities after school on Wednesday. No school related activities may be held on Sunday without permission from the administration. Exceptions may be made for students that participate in varsity events with administration and parent approval.

## **CLASS CHANGES**

All student class schedules are finalized on the third day of each new semester. No classes can be dropped or added after this date. Parents must sign off on any class changes that is to be made.

## **CORRESPONDENCE STUDY**

Students allowed to enroll in correspondence study will be asked to cooperate with the administration in regard to schedule and deadlines, which shall be established. The Principal must approve all correspondence study. All expenses are the responsibility of the parent or guardian.

## **DETENTION**

One day each week, Thursday, will be set aside for detention. Infractions of classroom rules, tardiness, or other misconducts can cause a student to be placed in detention. Detention will be held directly after the regular school day and can necessitate parents arranging transportation home for their children. Failure to report to detention without

permission will result in another detention. If a student accumulates 3 detentions in a semester, he/she will be given 1 day of in-school suspension. If a student accumulates 6 detentions in a semester, he/she will be given 2 days of in school suspension. Nine detentions will result in 3 days of in or out of school suspension at the discretion of the principal.

## DISCIPLINARY ACTION

The board of education of the Glenburn School has adopted the following guidelines concerning the discipline of students. These guidelines will be used by the administration in determining disciplinary action. We stress that every effort will be made to insure the "due process" rights of all students. At the end of the school term, students will be required to return their lockers to the condition that

they were assigned. In order to receive grades for the final semester, lockers will need to be cleaned out and books turned in as directed by school personnel.

## STUDY HALL RULES

A student chooses to register for a study hall; study halls are not forced upon students. Consequently, it is the duty of the study hall teacher to insure that the study hall is a constructive place to work. Study halls are provided for students as a place for completion of assigned homework, study of current work, and/or review of completed work. **There is no such thing as being all done with studying!**

Goal: To maintain a learning environment for **all** students.

Guidelines for students in study halls:

1. Students will bring adequate materials on which to work, study or review for the entire period. You will not be admitted without books, paper and pencil. Students who fail to follow this rule will be sent to their locker to get their materials and will be assigned a detention.
2. Any student failing in any class will be placed on the restricted list.
  - a. The restricted list will run from Monday through Friday.
  - b. Students on the restricted list are required to have all materials necessary for studying when the study hall begins. Students who do not have materials will be instructed to go directly to their locker, get the necessary material and return to study hall. The student will then be assigned a detention.
3. Students not on the restricted list are allowed to sign out from study hall at the study hall teacher's discretion. Students signing out to the library have a 15-minute time limit, which allows more students to go there. There will be a maximum of 5 students to the library at one time.
4. Ask permission to speak to others.
5. If you plan to go to another class to do work (make up a test, computer work, etc.) you will need a yellow pass signed by the teacher **BEFORE** you get to study hall. **There will be no exceptions to this rule!** You are to go **only** to the

area designated on the pass. No pop machine usage, or telephone calls are allowed without permission!

6. **NO SIGNING OUT FOR THE FIRST 15 MINUTES OF STUDY HALL.** When you check out, you must return to study hall 5 minutes before the end of the class period.
7. A seating chart will be used.
8. In the event a student violates any of the above rules, **ALL** privileges will be lost.

## STUDENT TELEPHONE USAGE

Student calls must be made from the telephone in the main office. Any student needing to make a long distance call must gain permission from the secretary in the main office. Long distance calls will be the financial responsibility of the student. Students are allowed to receive only emergency calls from parents during school hours. Students will not be called from class to answer the telephone except in the case of an emergency.

## SUMMER SCHOOL

Minot Public Schools has allowed our students to participate in their summer school program, which provides classes for students needing to make up a failed class. Glenburn students planning to enroll in summer school must have prior approval from the principal at Glenburn before credit will be accepted. Students may not take a summer school class ahead of their regular class schedule. Currently, a student is only able to earn 1 credit per summer.

## TARDINESS

Tardiness is considered a form of absenteeism and will not be allowed. The classroom teacher will count students who are late for any class period tardy. (After 3 tardies, detention). Students who have a legitimate excuse for being late for a class (visiting with a teacher) should bring a note explaining their tardiness.

## Civil Rights, Title IX & Section 504

It is the policy of the Glenburn School District # 26 to support the provisions of Title IX of the Educational Amendments Act of 1972, Title VI of the Civil Rights Act of 1963, Americans with Disabilities Act of 1990, and Section 504 of the Rehabilitation Act of 1973 and not to discriminate on the basis of race, color, national origin, sex,

religion, age, or handicap in employment policies and practices. It is the expressed intent of the Glenburn School District to provide full access to a free and appropriate education and equal opportunity for all students in programs and activities, free from limitations of race, color, national origin, sex, religion, and handicap. This includes accessible entrances to the school and classroom modifications i.e. elevator usage, P.E. locker room showers. Note: Handicap accessible locker room is the visitors' locker room by the new gym.

This concept of equal opportunity will serve as a guide to the School Board, administration, and staff in making decisions related to the employment of personnel, school facilities, curriculum, activities, and regulations affecting students and employees.
