

Student Name: _____

School (circle): GHS PCHS

Rising Grade (circle): 10 11 12

The Pike County School System is dedicated to providing programs to its students that provide them with meaningful credentials for employment. In line with this, we are opening applications for dual enrollment Career Technical Education classes for the 2020-2021 school year. The application period will run from Monday, March 2 to Friday, April 10.

Complete the attached Enterprise State Community College (ESCC) Application and return to your guidance counselor or the CTE counselor at the Troy-Pike Center for Technology. If you have any questions, please call (334) 566-5395.

Dual Enrollment programs available from ESCC include:

(Check the program in which you are interested)

-
- App Development (Apple and Android)
 - Aviation Maintenance (AMT – Airframe)
 - Emergency Medical Services (EMS)
 - Information Technology (IT) Professional Short-Term Certificates
 - IT Support Technician
 - Networking Communications Specialist
