Chatsworth Elementary School Healthy Kids+ Advisory Committee

Covid-19 Social Distancing Alternative Meeting

Edition 20.5

September 17, 2020

Healthy Kidst+ is OPEN now! We have been seeing students this week. We have a new outside entrance for patients to use. We are taking COVID-19 precautions that we have been using in our Healthy Families Office successfully for more than 6 months. Our office is open 7:00am to 3:00pm, every day that school is in session. We accept insurance and have reduced fees for those without insurance. Call us at 706.517.2200!

Meet the staff at Healthy Kidst+!

Laura Nix, FNP Laura, is our Provider seeing patients at Healthy Kidst+. She has previously worked as a school counselor for 10 years, prior to pursuing a second career in the medical field. She worked as a nurse for 8 years with experience in the hospital, home health, cardiac rehabilitation, and wound care. She graduated from University of North Georgia in May of 2020. We feel that Laura will be a good fit because she has experience in both school and medical settings. Laura is married, with two sons and lives on a small farm.

Brittany Walraven, MA/CNA Brittany has been working at our Healthy Families Office since last October. She has experience as a Nursing assistant in a nursing home, home health care, hospice, and palliative care. She plans to continue in the medical field by pursuing a college degree in Nursing. Brittany is married, with four daughters. She states she enjoys working in a position where she is able to help people in need.

Healthy Kidst+ is here to support you.

Thank you, Shelley Barton, Pediatric Outreach Coordinator
