# **Executive Summary**

## **Introduction**

Every school has its own story to tell. The context in which teaching and learning takes place influences the processes and procedures by which the school makes decisions around curriculum, instruction, and assessment. The context also impacts the way a school stays faithful to its vision. Many factors contribute to the overall narrative such as an identification of stakeholders, a description of stakeholder engagement, the trends and issues affecting the school, and the kinds of programs and services that a school implements to support student learning.

The purpose of the Executive Summary (ES) is to provide a school with an opportunity to describe in narrative form the strengths and challenges it encounters. By doing so, the public and members of the school community will have a more complete picture of how the school perceives itself and the process of self-reflection for continuous improvement. This summary is structured for the school to reflect on how it provides teaching and learning on a day to day basis.

## Description of the School

**Describe the school's size, community/communities, location, and changes it has experienced in the last three years. Include demographic information about the students, staff, and community at large. What unique features and challenges are associated with the community/communities the school serves?**

Prattville Junior High School, a dynamic educational community of approximately 1000 seventh and eighth grade students and 85 faculty/staff members, has been accredited by the Southern Association of Colleges and Schools since 1998. We receive students from two feeder elementary schools and are the only public junior high school within the city of Prattville, home to 35,000 people. PJHS is the largest traditional junior high school in the state of Alabama. Our student population has remained consistent over the last four years and is predominantly middle-to-low income families with 30% minority students. With our school's close proximity to Maxwell Air Force Base, we have a notable amount of military families in our community and school. Also, due to the location of Hyundai Motors Manufacturing Plant and Maxwell Air Force Base's Air War College, we have several international students.

The professional faculty and staff at Prattville Junior High School is comprised of three administrators, two counselors, one media specialist, six special education teachers, 46 classroom teachers and one school nurse. Other support personnel include three custodians, one bookkeeper, two secretaries, two security personnel and numerous special education aides. Our lunchroom staff serve two hot meals a day in our Cat Café. These groups of people work together to form what we affectionately call "The CAT Family."

There are a variety of clubs and organizations as well as athletic opportunities available to meet students' needs. Our band builds on students' musical talents and the PJHS BETA Club on academic achievements. Student Council participants exhibit strong leadership qualities by maintaining limited responsibilities at school functions. The PJHS Cat Spirit Club is a group of enthusiastic students who promote school spirit and cultivate positive energy throughout the school. Archery students take aim at success and have competed nationally. Our Career Technology teachers added two new clubs recently - (FBLA) Future Business Leaders of America and (TSA) Technology Students Association. Athletic teams and clubs at PJHS include football, volleyball, softball, baseball, cheerleading, majorettes, archery, wrestling, and others (in conjunction with Prattville High School including golf, tennis, soccer, gymnastics, cross county etc.). We have recently added several electives to afford students a variety of experiences including Computer Electronics, Journalism, Design and Modeling, Choral Music, and Theatre. In addition, the Cat's Meow Theater Troup and a Creative Writing Club have been added to pique student interests.

Over time and through the use of trend data analysis and needs assessments, Prattville Junior High School has added classes, implemented programs, and revised instruction in order to meet the needs of individual students as well as state and federal requirements. Examples of our diversity in courses include advanced placement and basic-level core curriculum classes, research-based reading and math intervention programs, English Learner support, career/technology and fine art electives, along with study skills and affective behavior electives for students with special needs. We also offer a Carnegie unit in Algebra to seventh graders who qualify based on comprehensive performance and placement tests. Students who maintain a minimum grade in the Algebra are offered Geometry as eighth graders.

Prattville Junior High School has experienced a variety of changes over the last several years. In math, reading, and writing, we have shifted to the College & Career-Ready Standards set forth by the State Department of Education. In the area of assessments., we replaced the ARMT+ and ASPIRE, an ACT product with Global Scholar. As we transition to align testing with our standards and national norms, we shifted our thinking to an assessment with primarily higher-order thinking skills. In the long run, this will be very beneficial for our students. As we progress and grow, we will continue to utilize programs such as Performance Series (a Scantron product) as a formative assessment to identify instructional needs throughout the year, Response to Instruction (RTI), and Positive Behavior Support (PBS) as well as adding

multiple activities to increase bullying awareness and prevention. This school year the counselor is implementing a weekly program for students with office referrals pertaining to bullying. More recently, we have two changes to our administrative faculty and staff, a new assistant principal and counselor, as well as, nine new teachers. Change is inevitable. However, PJHS continues to maintain a safe school environment with high academic achievement and a positive school culture.

## School's Purpose

**Provide the school's purpose statement and ancillary content such as mission, vision, values, and/or beliefs. Describe how the school embodies its purpose through its program offerings and expectations for students.**

The purpose of Prattville Junior High School is to provide educational opportunities which enable our students to acquire knowledge, skills, and personal experiences for responsible citizenship and lifelong learning. We will address the emotional and academic needs of our students by providing a nurturing environment which fosters high expectations and encourages our students to become critical thinkers.

PJHS shares the vision of the Autauga County School System and is committed to "Every Child a Graduate, Every Graduate a Success." PJHS embodies this mission through its program offerings and expectations for students in, but not limited to, the following ways:

### A. Levelized Core Course Work

#### I. Basic classes in the areas of English and Math:

- a. One highly-qualified teacher to introduce new material
- b. One special education teacher to meet the needs of those who require specialized instruction
- c. Lower class size
- d. Added remediation

#### II. Advanced classes

- a. Pre-algebra, science, geography/citizenship, English, and world history
  - i. Higher level of expectations, and increased use of critical thinking skills.

### B. Carnegie Unit in Algebra I and Geometry for qualifying students

### C. Monitoring of Testing Data

- I. Disaggregated data utilized in instructional planning
- II. Disaggregated data utilized in student placement
- III. Performance Series testing 3 times a year for progress monitoring and summative assessments

### D. Expectations

- I. Expectations are communicated to students and all stakeholders in a variety of ways
  - a. Website
  - b. Attached to report cards and progress reports
  - c. Assemblies
  - d. Intercom/Announcements
  - e. Principal's letter on the website and distributed to stakeholders
  - f. Digital Sign
  - g. INow Parent Portal
  - h. NOTIFY ME utilized often through school website
  - i. Social Media outlets
  - j. Call-outs

### E. Counseling Program

- I. Bullying assemblies
- II. Special guests to relate to authentic life circumstances to students
- III. Drug and violence free programs

- IV. Goal Setting Workshops
- V. Career Day
- VI. Weekly Bullying Class
- F. Student Motivation
  - I. Open lunch/Duty Free Lunch
  - II. Extended student breaks
  - III. Additional student breaks
  - IV. Testing cookouts hosted by leadership staff
  - V. Corporate motivational speakers
  - VI. Athletes as motivational speakers
  - VII. Motivational Contests/Awards
- a. CATalyst (Students get to choose a life enriching activity to attend once a month.)
- b. Weekly drawings for PBS (Positive Behavior Support) "Real CATS Roar"
- c. Honor roll parties
- d. Departmental block parties
- e. Awards Day activities
- f. TCB (Taking Care of Business) parties
- G. Teacher Motivation
  - I. Open lunch
  - II. Reward for perfect attendance
  - III. Matching classroom grants received
  - IV. Technology rewards for excelling in academic fields
  - V. Monetary help for classroom supplies when meeting goals/standards
- H. READ 180/System 44 remedial course offerings for students with deficits
- I. RTI (Response to Instruction) Program
- J. Differentiated Instruction
- K. Hands-On Instruction
  - I. Weekly or bi-weekly science labs
  - II. Modeling and manipulatives within the mathematics classroom setting
  - III. Language Explorations classes which include speech and drama instruction
  - IV. Technology course offerings
    - a. CAD (Computer Aided Drafting)
    - b. Robotics
    - c. Graphic design
- d. Powerpoint training
- e. Web training
- f. Video editing
- L. Teaching to Fidelity
- M. Educational Field Trips
- N. PBS (Positive Behavior Support) Program
- O. Rigorous IEP (Individualized Education Plan) Development and Implementation
  - I. Continual IEP meetings
- P. Technology: Smartboards, ELMOS, and laptops in all classrooms
- Q. Vertical alignment with Prattville High School to develop Power Standards

R. Communication with students to better prepare them for elements of the high school experience

- I. Technology Center tours
- II. High school registration assembly

S. Duke TIP Program

T. Band Collaboration and Participation between Prattville Junior High School and Prattville High School

- I. PJHS band joins PHS band for playing of National Anthem at athletic events
- II. PJHS band directors are actively involved in PHS band activities
- III. PJHS band plays with Prattville High School at homecoming games/activities

Prattville Junior High School strives to meet the needs of each and every student. It is our aim to create an atmosphere in which academic success is recognized and celebrated. It should encourage student learning, enhance self-esteem, and promote respect among and between students, faculty, and all stakeholders. It is our goal to contribute to Autauga County School System's mission to provide excellent educational experiences for all students to be successful in life.

## Notable Achievements and Areas of Improvement

**Describe the school's notable achievements and areas of improvement in the last three years. Additionally, describe areas for improvement that the school is striving to achieve in the next three years.**

The following programs continue to meet the needs of various sub-groups of students:

- \*Partnership with Montgomery Mental Health Associates to address the emotional and psychological needs of at-risk students.
- \*PJHS Cat's Meow Theatre Group presented a school play
- \*PJHS Spirit Club presented The PJHS Talent Show.
- \*Majorettes performed at all home football games.

Student Awards and Honors:

2017-2018 Quiz Bowl Team:

- 2nd at State BETA Convention
- 3rd at National BETA convention

2018-2019 Quiz Bowl Team:

- Competing in ASCA Scholars' Bowl Tournaments for first time

Creative Outlet:

- Sold out run of 2018 Spring Play "The Bold, The Young, and The Murdered"
- First place in duet acting at 2018 Alabama Conference of Theatre Youth Competition

Beta Club:

- 1st Place in State Competition for Quiz Bowl
- 3rd Place in the National Competition for Quiz Bowl
- 3rd Place in state Competition for T-shirt Design
- Premier Dancer for State Competition
- Beta Club Award of National Merit

Athletic Event Accolades

\*Volleyball

- Finished season 19-3

\*Archery team:

- \*1st Place in Regional Tournament

Teacher/Staff Grant/Award Winners

- \*There were multiple grant award winners that received various amounts of money for a variety of projects within the school. PJHS received grants for improving school technology within the classrooms, science lab, Maker Space Lab, Chromebook Carts, and appliances for the self-SY 2018-2019

contained classroom. There was approximately \$15,000 awarded to PJHS these projects.

Monetary Donations

\*Community Support Programs for PJHS Students and/or Faculty

\*Rack Room Shoes That Fit (2010-present)

\*First Community Bank \$1000

\*Baptist Hospital Montgomery \$250

\*PJHS partnered with the Lowe's HERO program to update the flower beds in the front of the school.

PRATTVILLE JUNIOR HIGH SCHOOL'S AREAS OF IMPROVEMENTS:

A. Continued goal of 100% proficiency in all academic areas

B. Continued technology upgrades

I. Chromebook Cart for every department

C. Continued professional development in teaching areas & technological advances

## Additional Information

**Provide any additional information you would like to share with the public and community that were not prompted in the previous sections.**

Prattville Junior High School exists for the sole purpose of meeting the needs of every child. The needs of the individual are as unique as the children themselves. For the fortunate ones, their only needs are educational. For many the needs go beyond what is taught in the classroom. We find ourselves becoming the teacher, parent, friend, and counselor that many students desperately need but may not find in their own homes. It is our purpose that not one child falls through the cracks and is harmed by the hands of compulsory education.

At the forefront of meeting the needs of our children is a top-notch, comprehensive developmental counseling and guidance program, which aids students in the classroom, in large groups, and in individual settings. The counselors also assist administrators, teachers, and parents in many ways. The counseling department oversees numerous programs designed to meet the needs of students. These programs include but are not limited to ABE, "Too Good for Drugs," "Too Good for Violence," REALITY HOUSE, the Texting-While-Driving Simulator, and Peers are Staying Straight drug ID testing. The counselors are implementing a new bullying intervention program that targets students displaying bullying behaviors. The counselors teach our children skills such as time management and conflict resolution. The most important role of the department is the actual counseling of students who are having problems at school or at home. This department is essential to meeting the needs of the children.

Prattville Junior High School believes in the idea that all stakeholders need to be involved in the educational process and therefore encourages parental participation. PJHS Parental Involvement Group provides ample opportunity for parents to be actively engaged in the learning process. Our Parental Involvement Group consists of dedicated parents who provide resources and address issues which are important to parents and teachers alike. The PJHS Student Center and front office have numerous parental volunteers to help ensure our school runs smoothly, allowing these parents the opportunity to contribute to the education of all children. They also assist with monthly encouragement, various celebrations, PBS, and fundraising.

Our school nurse joins together with Birmingham Children's Hospital each year to screen all students attending Prattville Junior High School for scoliosis. Since early detection is important, our school nurse, Sheryl Johnston, assists other professionals to make certain all students of PJHS are screened and provided with necessary resources if needed. As well as the everyday nurturing of ailing students, the school nurse performs numerous hearing and vision screenings with referrals to outside resources when considered necessary. Nurse Johnston also works in conjunction with the Autauga County Health Department along with numerous physicians to make certain all children of PJHS remain updated with required immunizations. Numerous members of the PJHS faculty are certified in CPR (Cardiopulmonary Resuscitation) along with others certified using an AED (Automated External Defibrillator). Our athletic director, Donny Burnett, is an endorsed instructor in both CPR and AED through the American Red Cross. Our school holds two AEDs for safety purposes, one of which remains accessible at all times of the day.

Community support is also evident at Prattville Junior High School. A counselor and family program coordinator from the Autauga County Family Support System holds weekly small group sessions with students in In-School Suspension (ISS) at Prattville Junior High School. Representatives from the Autauga County District Attorney's Office visit often with students of PJHS who were recommended for services through the "Helping Family Initiative" program. The Chief Juvenile Probation Officer of Autauga County, meets monthly with families of students at PJHS with truancy issues. These early warning meetings are held to circumvent families having to appear before a judge in a court of law. In addition, numerous grants have been written and received that promote community awareness including the Retired

Teachers Association, Central Alabama Electric Cooperative, Lowe's Hero's project, Autauga Education Foundation, etc.

Our PJHS attendance coordinator, Melissa Strickland, works diligently with our county truancy officer, Ty Spears to ensure all students are following mandated state and county attendance policies.

Our school cafeteria, The Cat's Cafe, celebrates "National School Breakfast Week" each year in the month of March. This significant event helps encourage our students to eat a nutritious breakfast each morning. This year they have implemented a "Grab & Go" breakfast program to encourage more students to eat breakfast. They have also participated as the ACBOE representative in the YMCA's Annual Great Grits Cook-off. The PJHS cafeteria, affectionately referred to as the CAT Cafe, is working with the Autauga County Department of Solid Waste Department to recycle items available from our lunchroom. It is being utilized in the lunchroom with future plans to integrate this recycling program in our life- science classrooms before spreading it school wide.

It is important that our PJHS faculty instill integrity and a sense of compassion in our students. In compliance with the Autauga County Christmas Team, our Fellowship of Christian Students Club promotes a canned food drive for the needy every year. The Prattville Fire Department assists PJHS by delivering all items donated from the drive to the local (AICC) Autauga Interfaith Care Center. PJHS students also collaborate with Alabama Power and Jim Massey each year to provide coats for impoverished children. Many children benefit during cold weather from these cooperative efforts. Prattville Junior High also has a group that collects and packs boxes to be donated to Operation Christmas Child, last year students packed over 200 boxes. PJHS proudly presents a Veterans Day Assembly each year, recognizing those who have served.

While educating children is the heart of Prattville Junior High School, meeting the needs of our children is its soul. Junior high school students are at a delicate age where the young adult is emerging, but the spirit of the child remains. Their needs go beyond what can be taught from books and extend into the realms of the physical and social. Like a willow in the wind, they are strong yet fragile, and at Prattville Junior High School they will never be broken, only fortified. We nurture the child within them and revere them for the adult they will become.

# **Improvement Plan Stakeholder Involvement**

## **Introduction**

The responses should be brief, descriptive, and appropriate for the specific section. It is recommended that the responses are written offline and then transferred into the sections below.

## Improvement Planning Process

### Improvement Planning Process

**Describe the process used to engage a variety of stakeholders in the development of the institution's improvement plan. Include information on how stakeholders were selected and informed of their roles, and how meetings were scheduled to accommodate them.**

The educating of a child takes continuous collaboration between all stakeholders. Prattville Junior High stakeholders include administrators, teachers, support personnel, parents, community members, and students. A variety of avenues are utilized by administrators, teachers, and other personnel in order to effectively communicate with parents and students. Technological avenues employed to facilitate communication with parents and students include the school website, School Messenger, Notify Me, Remind, EDMODO, Google Classroom, INOW Parental Portal, Instagram, a digital sign, monitors throughout the school, and emails. Other avenues utilized include individual conferences, various flyers, phone calls, progress reports, social media outlets, and report cards. Parents and students are encouraged to communicate with all school personnel throughout the school year.

The Prattville Junior High School administration encourages parents to routinely provide input in the decision making process. Parents are represented on the School Improvement Committee, PJHS Counseling Committee, Textbook Adoption Committee, and Safety Committee. Parents also take an active role in the Prattville Junior High community through the school Parent Involvement Group. The administration of PJHS welcomes input and feedback from all parents through face-to-face meetings, phone calls, and emails. The Stakeholders Committee is comprised of administrators, teachers, parents, community members, and students. Stakeholders are selected based on his/her contact and interaction with technology. Once these stakeholders are selected, expectations and responsibilities are communicated to them in person. Meetings are scheduled at various times to accommodate the varying schedules of all stakeholders allowing for input from all stakeholders.

**Describe the representations from stakeholder groups that participated in the development of the improvement plan and their responsibilities in this process.**

In developing the improvement plan, all stakeholder groups were represented and assist in the process. Our Student Council president and community member, represented by School Resource Officer T.R. Hope, provide input in strategies and activities positively impacting the school climate and culture. The lead teacher for each grade and curriculum area and Autauga County Board of Education representative Dr. Rachel Surles were key in interpreting data, identifying strengths and weaknesses, and developing improvement goals. In addition, Mrs. Cathy Loftin assisted in reviewing school scores. Since PJHS is connected to E3, formerly LTF (Laying the Foundation) training, we have consulted with Sue Kuzma to review growth patterns further. School administrators and worked diligently to collect data relating to student learning, school performance, and demographic analysis

**Explain how the final improvement plan was communicated to all stakeholders, and the method and frequency in which stakeholders receive information on its progress.**

The final improvement plan will be communicated to all stakeholders through email as well as the PJHS website, Notify Me, School Messenger, and/or INOW. The school aCIP is available to the public through the Advanced Ed website. Stakeholders are continuously and effectively provided with updates on school improvement through these means of communication.

# Student Performance Diagnostic

## **Introduction**

The Student Performance Diagnostic provides an institution with a process to report summative student assessments. This diagnostic is significant to the accreditation and continuous improvement process as it serves as a resource for schools to view content area assessment results required by the state, district, or other entities, determine the quality and reliability of the given assessments, and show the alignment of the assessments to the school's curriculum. The performance level computed at the completion of the diagnostic is used by the external review team as a comprehensive report to understand fully the institution's assessment program; the diagnostic should be used in the same manner by the institution as it engages in improvement planning.

**Student Performance Data**

<b>Label</b>	<b>Assurance</b>	<b>Response</b>	<b>Comment</b>	<b>Attachment</b>
1.	Did you complete the Student Performance Data document offline and upload below?	Yes		17-18 PS by Teacher

## Evaluative Criteria and Rubrics

Overall Rating: 3.5

	Statement or Question	Response	Rating
1.	Assessment Quality	The array of assessment devices used by the institution to determine students' performances is sufficiently aligned so that valid inferences can be reached regarding students' status with respect to the majority of those curricular aims regarded as high-priority instructional targets. The documentation provided in support of this alignment is relatively persuasive. Most of the assessments used are accompanied by evidence demonstrating that they satisfy accepted technical requirements.	Level 3

	Statement or Question	Response	Rating
2.	Test Administration	All the assessments used by the institution to determine students' performances, whether externally acquired or internally developed, have been administered with complete fidelity to the administrative procedures appropriate for each assessment. In every instance, the students to whom these assessments were administered are accurately representative of the students served by the institution. Appropriate accommodations have been provided for all assessments so that valid inferences can be made about all students' status with respect to all of the institution's targeted curricular outcomes.	Level 4

	Statement or Question	Response	Rating
3.	Quality of Learning	Evidence of student learning promoted by the institution is well analyzed and clearly presented. In comparison to institutions functioning in a similar educational context, students' status, improvement, and/or growth evidence indicates that the level of student learning is substantially greater than what would otherwise be expected.	Level 4

	Statement or Question	Response	Rating
4.	Equity of Learning	Evidence of student learning indicates achievement gaps exist among subpopulations of students, and these achievement gaps have noticeably declined.	Level 3

## Areas of Notable Achievement

### Which area(s) are above the expected levels of performance?

Students showed at least 60% growth in all sections of the Performance Series assessment in 7th and 8th grade.

Performance Series Overall Percentile Rank:

7th grade

Math- 61

Reading-50

History- 47.5

Science- 48.7

8th Grade

Math-65

Reading-53

History- 62.3

Science- 62.3

### Describe the area(s) that show a positive trend in performance.

Students that attend PJHS in both 7th and 8th grades show tremendous amounts of growth in the 8th grade, based on formative assessments and Rtl data.

Students for the current year have shown most growth in the area of math.

### Which area(s) indicate the overall highest performance?

To review the actual highest performance, it is imperative to review the National Percentile Rank. The following are ranked highest to lowest for each grade:

7th grade:

Writing- 63.6

Math- 62.1

Science-59.0

Reading-57.0

English-56.7

8th Grade:

Writing- 64.3

Science- 60.9

English- 60.2

Math- 59.5

Reading- 58.5

**Which subgroup(s) show a trend toward increasing performance?**

Females are generally making gains.

Hispanic students are making progress across all subtests except writing.

**Between which subgroups is the achievement gap closing?**

The gap is closing between the female and male students and for our Hispanic population.

The gap is closing for Black/African American students in several subtests.

**Which of the above reported findings are consistent with findings from other data sources?**

Our Performance Series scores were consistent with local assessments.

## Areas in Need of Improvement

**Which area(s) are below the expected levels of performance?**

English for both grades did not show expected growth.

**Describe the area(s) that show a negative trend in performance.**

While we have shown growth in the area of math, the proficiency level still has room for improvement.

**Which area(s) indicate the overall lowest performance?**

The lowest area for both 7th and 8th grade is reading.

**Which subgroup(s) show a trend toward decreasing performance?**

Our Asian population has declined over the past couple years.

**Between which subgroups is the achievement gap becoming greater?**

Asian and White students

**Which of the above reported findings are consistent with findings from other data sources?**

Performance Series scores are consistent with local assessments.

## Report Summary

### Scores By Section

# **ACIP Assurances**

## **Introduction**

By responding to the questions in ASSIST and attaching evidence when required, the institution has verified whether it meets or does not meet each of the required ACIP Assurances.

## ACIP Assurances

Label	Assurance	Response	Comment	Attachment
1.	The Instructional Leadership Team members that should be present include the principal, guidance counselor, district school improvement specialist (or other designee), appropriate content-area teachers, parent representatives, and student representatives (as appropriate). Depending on the data, additional members may include special population representatives (Technology Coordinator, Special Education, EL, etc.), district federal programs coordinator, district chief school financial officer, community stakeholders, or any other member as appropriate. Documentation will be maintained on site.	Yes		Leadership Team

Label	Assurance	Response	Comment	Attachment
2.	The institution complies with all federal laws and regulations prohibiting discrimination and with all requirements and regulations of the U.S. Department of Education. It is the policy of this institution that no person on the basis of race, color, religion, national origin or ancestry, age, gender, height, weight, marital status or disability shall be subjected to discrimination in any program, service or activity for which the institution is responsible, or for which it receives financial assistance from the U.S. Department of Education.	Yes		Admin Team

Label	Assurance	Response	Comment	Attachment
3.	The institution has designated an employee to coordinate efforts to comply with and carry out non-discrimination responsibilities. If yes, list the name, position, address and telephone number of the employee in the comment field.	Yes		Stockman

Label	Assurance	Response	Comment	Attachment
4.	The institution has a Parent and Family Engagement policy and plan as required in ESSA Section 1116, and ensures that all requirements in Section 1116 and 1112(e)(1)(A)(i)-(ii), Parents' Right-to-Know, are implemented systematically.	No	PJHS is not a Title-I school	

Label	Assurance	Response	Comment	Attachment
5.	The institution has a School-Parent Compact. If a Title I school, the School-Parent Compact contains the required components (ESSA Section 1116 (d) and was jointly developed with parents of participating students.	No	PJHS is not a Title-I school.	

# **2018-19 PJHS aCIP**

## Overview

### Plan Name

2018-19 PJHS aCIP

### Plan Description

## Goals Summary

The following is a summary of the goals encompassed in this plan. The details for each goal are available in the next section.

#	Goal Name	Goal Details	Goal Type	Total Funding
1	CIP: Math - Increase Performance Series / Global Scholar scores	Objectives: 1 Strategies: 2 Activities: 4	Academic	\$5700
2	CIP: Build on Positive Climate / Culture of PJHS	Objectives: 1 Strategies: 3 Activities: 5	Organizational	\$5336
3	CIP: READING - Increase Performance Series Scores	Objectives: 1 Strategies: 2 Activities: 3	Academic	\$5700

## Goal 1: CIP: Math - Increase Performance Series / Global Scholar scores

### Measurable Objective 1:

A 3% increase of Seventh and Eighth grade Black or African-American, Asian, Bottom 30%, White, Economically Disadvantaged, Gifted and Talented, Hispanic or Latino, Students with Disabilities, English Learners, Two or More Races, American Indian or Alaska Native and Native Hawaiian or Other Pacific Islander students will demonstrate a proficiency increase in Performance Series / Global Scholar scores in Mathematics by 05/25/2018 as measured by Performance Series / Global Scholar proficiency levels.

### Strategy 1:

Course Offerings - Varied course offerings in the area of Math will be provided for students to meet their specific needs.

Category: Develop/Implement College and Career Ready Standards

Research Cited: Differentiated instruction is well documented; course offerings are loosely based on the Rtl Model

Activity - Scheduled Courses	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
PJHS has multiple levels of mathematics to assist students with meeting their educational needs. There are advanced classes, general level classes, and basic level classes. Several Basic level classes also serve as co-teaching classes to provide students with more individualized instruction during the class period. Students are selected for each level of class based on a multi-criteria rubric.	Direct Instruction	08/01/2018	05/24/2019	\$0	No Funding Required	Principal Counselors

Activity - Elective Courses	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
PJHS provides an Intervention class for struggling students. The V-Math Program, along with other math programs and best practices, is utilized to assist students in closing the achievement gap and reinforcing prerequisite skills and practicing basic computation. This integrated program is beneficial for those students chronically behind.	Academic Support Program	08/01/2018	05/24/2019	\$3000	State Funds	Administrators Special Education teachers General Education teachers

### Strategy 2:

Math - Professional Development - Professional development will be an ongoing part of the culture of PJHS to reinforce math skills and increase the rigor in the higher-order thinking skills realm.

Due to a significant gap in the math ASPIRE scores between ethnic groups, specifically black students, an emphasis will be placed on instructional strategies that target math proficiency in unique and creative ways.

We will also focus on the Fundamental Five instructional strategies.

Category: Develop/Implement Professional Learning and Support

Activity - Vertical Team Meetings	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
PJHS teachers will partner with PHS teachers and 6th grade teachers to develop Power Standards for each grade level. This ongoing PD will provide pertinent information for students to be well prepared in prerequisite skills. In addition, PJHS teachers will hold monthly department meetings to review data including Performance Series, tests, etc.	Professional Learning	08/01/2018	05/24/2019	\$0	General Fund	PHS & PJHS Administration PHS & PJHS Department Chairs DPES & PIS Admin
Activity - Targeted PD for minority students	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Due to a critical gap in ASPIRE Math scores between white and black students, training must occur to develop more strategies targeted for minority students to increase their interest and motivation in math concepts. Additional training will be provided through job-embedded professional development, videos, strategy-sharing, etc. We will also focus on Student Engagement.	Professional Learning	08/01/2018	05/24/2019	\$2700	Title II Part D	Principal

**Goal 2: CIP: Build on Positive Climate / Culture of PJHS****Measurable Objective 1:**

collaborate to improve student achievement by 05/25/2018 as measured by assessment results; survey results.

**Strategy 1:**

Instructional Leadership - Administrators will be visible throughout the school and will be involved in curricular decisions and discussions. The principal will lead professional development activities throughout the year to reinforce the urgency of instruction.

Category: Develop /Implement Leader Effectiveness Plan

Research Cited: Instructional leadership is the backbone of making schools effective for students. This strategy is a critical one to continue the tradition of excellence at PJHS.

**ACIP**

Prattville Junior High School

Administrators will be visible in classrooms on a daily basis. As bogged down in office work as administration can be, there must be an emphasis of priority. Mentoring young teachers and supporting veteran teachers by promoting Best Practices is critical. In addition, working with a leadership team is vitally important to have input from the troops. Daily administrative meetings will be held to discuss hot spots and bright spots. In addition, quarterly meetings will be held with the School Leadership Team to disseminate information, discuss data, promote the vision of the school, etc. Guest speakers will also be available for Inservice days to provide training on Student Engagement, etc.	Other	08/10/2016	05/26/2017	\$720	Title II Part D	Principal Assistant Principals
--	-------	------------	------------	-------	-----------------	--------------------------------------

Activity - Data / Faculty Meetings	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Data meetings will be held to review current data and watch for trends to determine gaps in the curriculum. Throughout the year, a variety of types of faculty meetings will be held to better address specific needs of the school and faculty. At-large meetings will be held, along with department meetings, mentoring meetings, electronic meetings, etc. Each will have targeted professional development goals and objectives. A focus will revolve around the Fundamental Five instructional strategies.	Professional Learning	08/01/2018	05/24/2019	\$1720	Title I Part D	Principal Assistant Principals Department Chairs

**Strategy 2:**

Continue Positive Morale - It is the ambition to continue positive morale so teachers are highly motivated to work diligently for student achievement. We will reward those students and teachers demonstrating the ideals of PJHS. In the same token, we will work with those students and teachers who are struggling.

**Strategy 3:**

Expand student opportunities - We are currently building opportunities for students, including extra-curricular activities and elective offerings. These are in an effort to provide for a wide variety of interests in students and to help build ownership in their educational process. It has been proven that students who are actively engaged in activities are more likely to stay in school and to perform better academically.

Category: Develop/Implement Student and School Culture Program

Research Cited: <http://www.devstu.org/research-articles-and-papers-the-role-of-supportive-school-environments-in-promoting-academic-success>

Activity - Extra-curricular offerings	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
If students are more engaged in activities in which they have interest, they will more likely to stay engaged in the educational process and perform better academically. PJHS has already added Majorettes, a Creative Writing Club, and the Cat's Meow Theater Troupe, etc. to encourage students to be involved in activities on campus. In addition to new clubs, there has been a renewed fervor for previous clubs to be more active in the community. In addition, PJHS runs a CATalyst schedule multiple times throughout the year to allow ALL students to participate in enrichment programs ranging from yoga to guitar to law enforcement.	Community Engagement	08/01/2018	05/24/2019	\$0	Other	PJHS Administrators Club Sponsors - funds needed for each club/organization will be raised by that club/organization Parent volunteers

**Goal 3: CIP: READING - Increase Performance Series Scores****Measurable Objective 1:**

A 3% increase of Seventh and Eighth grade Black or African-American, Asian, Bottom 30%, White, Economically Disadvantaged, Gifted and Talented, Hispanic or Latino, Students with Disabilities, English Learners, Two or More Races, American Indian or Alaska Native and Native Hawaiian or Other Pacific Islander students will demonstrate a proficiency in Performance Series / Global Scholar in Reading by 05/25/2018 as measured by Performance Series / Global Scholar.

**Strategy 1:**

Varied Course offerings - Varied course offerings in the area of Reading will be provided for students to meet their specific needs.

Category: Develop/Implement Learning Supports

Research Cited: Differentiated instruction is a highly researched facets of education and course offerings are based on the Rtl Model.

Activity - English Classes	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Three levels of classes are provided for students, based on their academic needs. Advanced English, General English, and Basic English classes are offered and assigned based on a multi-criteria rubric.	Direct Instruction	08/01/2018	05/24/2019	\$0	No Funding Required	Principal Counselors
Activity - Elective Classes	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Elective classes will be offered for students in a variety of methods. PJHS offers several English/Language Arts electives for all students which expound upon ELA standards and delve into different areas including drama, etc. These classes provide extra opportunities to practice reading skills in the context of elective and relevant areas. In addition, PJHS provides a semester-long Intervention class, specifically designed for struggling students. This intervention class is provided for students who qualify for the program using a multi-criteria rubric. This provides targeted instruction designed to close the achievement gap for those students two years or more behind (as identified by Performance Series). Finally, PJHS offers a Read 180/System 44 class for students identified as low-performing, based on Lexile scores. This is a year-long scripted program.	Academic Support Program	08/01/2018	05/24/2019	\$3000	State Funds	Special Education teachers Elective Teachers Counselors

### Strategy 2:

Reading Professional Development - Professional development will be provided for teachers in a variety of methods to address current assessment scores, best practices, and to continue to build on the strengths of the school.

Teachers will participate in a variety of PD sessions related to STUDENT ENGAGEMENT.

Category: Develop/Implement College and Career Ready Standards

Research Cited: [http://learningforward.org/docs/pdf/why\\_pd\\_matters\\_web.pdf?sfvrsn=0](http://learningforward.org/docs/pdf/why_pd_matters_web.pdf?sfvrsn=0)

Activity - Reading Across the Curriculum	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Reading is pertinent to all subject areas, not just ELA. Therefore, professional development activities will be implemented for teachers across all disciplines. Data reviews will be held specifically with History teachers to highlight areas of reading comprehension important for content reading and utilizing primary sources. In addition, specialized training for lead teachers will be held through the Laying the Foundation program from the State Department of Education. SDE staff will train lead teachers, who will then provide turn-around training for teachers.
