Guidance and Counseling

Counseling is defined as a relationship between a counselor and an individual seeking help in gaining greater self-understanding and improved decision-making skills for problem resolution and developmental growth. Denton Magnet School has a comprehensive guidance program which includes the following student services:

- Individual counseling
- Group counseling
- Education and career information
- Testing and evaluation
- School orientation to include crisis, facilitative, preventive, and developmental counseling
- Recruiting

These services are available to all students as a part of their general education experiences and tailored, when appropriate, to special situations and circumstances. Parents are encouraged to call and make an appointment to see the counselor as needed.

ATTENDANCE

Denton Magnet abides by MCPSS Attendance Policy.

When students miss school, they miss lectures, notes, class discussions, assignments, quizzes and test. It doesn't matter how conscientious students are about making up their work, they never fully make-up all of what they missed even if they're absent only a day or two.

- A. Students are required to be on time for school. It is the responsibility of the parents or guardians to make sure that their children arrive on time each day.
- B. **Any time that a student is absent, the parent or guardian must send a written note to school satisfactorily explaining the absence.** A satisfactory note from the parent or guardian meets the following State guidelines: Illness; death in the immediate family. **The note or doctor's excuse must be sent to school within three (3) days of the student's return to be counted as an excused absence and may be verified by the school staff or nurse.** * Once the homeroom teacher receives the excuse, they will issue the student a "blue slip". This is to be taken by the student to every class and signed by each teacher. It must be returned to the homeroom teacher at the end of the day.
- C. A written note from parents or guardians, as described above, will excuse absences for up to but not exceeding eight (8) days.
- D. Parents or guardians of any student who is absent exceeds (8) times must present a clinical or doctor's excuse to the school for the absence to be excused.

- E. Parents or guardians of any student having a chronic ailment that may cause a child to miss school during the year are required to provide the school with a doctor's statement verifying the child's condition. This must be done as soon as the problem occurs and repeated at the beginning of each term.
- F. **Absences for family vacations are strongly discouraged; an excused absence will not be granted for family vacations.**
- G. Students must be in attendance one-half of the instructional day to be counted present.
- H. When a student receives an early dismissal before 11:00 a.m. and does not return to school, they are counted absent. A note from the parent or physician is needed to excuse the absence.
- I. Upon returning to school following an early dismissal, the student is to bring their computer printout-from the doctor office
- J. At the time of the 8th unexcused absence, students may be withdrawn at the principal's discretion and returned to the zoned school. In all unexcused absences the teacher is not obligated to assist the student in making up missed work/tests.

Headlice: Students are allowed three (3) excused absences for each occurrence of head-lice.

Truancy

Definition: Alabama Department of Education Prevention and Support Services- (May 2004)

A parent, guardian, or other person having charge of any child officially enrolled in Alabama public schools (K-12) shall explain in writing the cause of any and every absence of the child no later than three (3) days following return to school. A failure to furnish such explanation shall be evidence of the child being truant each day he/she is absent.

The child shall also be deemed truant for any absence determined by the principal to be unexcused based upon the State Department of Education's current School Attendance Manual. Five (5) unexcused absences within a school year constitute a student being truant for the purpose of filing a petition with the Court.

Parental/Custody Issues

Due to the overwhelming number of custody issues involving students, all Mobile County Public School System employees will follow the same procedure as outlined below relating to noncustodial parents' access to records and visitation. School system employees should not be placed in the position of reading and trying to interpret divorce decrees to resolve custody issues.

At the advice of school system attorneys, the Student Online Registration, completed by the enrolling parent should govern issues relating to pick up, visits, etc. of students at school. The custodial parent that completed the Online Registration at the time of enrollment may complete the Parent/Legal Guardian #2 section noncustodial parent. All other contacts should be placed in the Emergency Contact section. Unless otherwise prohibited by a judge, the noncustodial parent has right to their

child/children's records, copy of report cards, and conference with administrator or teachers at the school. Visitation of children by the noncustodial parent at school is not allowed. This includes lunch, field trips, and class parties, etc. unless the noncustodial parent's name in the Guardian #2 section.

The primary role of our school is to provide a safe learning environment for all students in which their attention can focus on instruction. The schools will not become the environment for adult custodial disputes. These types of issues must be dealt with away from school campus.

Make-Up Work for Excused Absences

- Make-up work is to be turned in within two days.
- It is the **student's responsibility** to arrange to make-up all work missed, without a reminder from the teacher.
- Pre-announced/scheduled tests, homework/projects assigned prior to the student's absence are due the day the student returns to school. Additional time to complete pre-announced assignments or tests does not apply.
- Students should have a "study buddy" with whom they may check for assignments in case of absence or early dismissal.
- Make-up work for unexcused absences will not be accepted.

Excessive Unexcused Absences for High School Credit

- A. Students are responsible for reporting to school and to each class in accordance with their approved schedules.
- B. Teachers shall be responsible for checking roll daily in their assigned classes and properly recording the students' attendance.
- C. A student approved by the principal or his/her designee to participate in or attend a school sponsored activity during the school day shall be counted present. Students are responsible for all assignments missed while participating in or attending said activities.
- D. The principal shall notify teachers in advance about students who will be attending approved activities and who shall be counted present.
- E. A student absent, from class more than eight (8) unexcused days for any full credit course per year shall not receive credit for the course, unless otherwise approved by the principal. Four (4) tardies to the same class shall constitute one (1) absence for said class.
- F. In cases of prolonged absences due to illness, the parent or guardian should seek assistance from the Homebound Program or make other reasonable arrangements with the principal of the school.
- G. The principal shall notify the parent or guardian of the student's attendance record after the fourth (4) day of unexcused absence for any full credit course. This should be documented and kept on file for further reference.
- H. On the eighth (8) day of an unexcused absence for any full credit course, the principal shall notify the parent or guardian of the student's loss of credit because of excessive absences and his/her right

to bring evidence as to why credit should not be denied. This notification shall be in writing, by U.S. mail, and shall provide an opportunity for a conference as well as information regarding the parent's right to an appeal to the Superintendent, provided this cannot be settled in the conference.

- I. In cases where extreme emergencies exist and can be verified, the principal may extend the maximum number of unexcused absences per term that a student may accumulate before credit is withheld.
- J. The parent or guardian may appeal a decision to withhold credit for any individual student based upon excessive unexcused absences to the Superintendent by writing to the Division of Student Support Services, setting forth the reasons for the absences and attaching supporting documentation. The appeal is to be considered by a three (3) member panel consisting of an Attendance Supervisor or Attendance Officer, a representative of the Division of Teaching and Learning, and the Assistant Superintendent of the Division of Student Support Services or his/her designee.
- K. The Committee can exercise one of the following:
 - 1. Uphold the principal's decision and withhold credit.
 - 2. Reject the principal's decision and award credit.
 - 3. Approve or revise the principal's offer of a Contingency Plan.
- L. The principal shall develop and implement local school procedures necessary for the proper implementations of these procedures. Each teacher shall be provided a copy of the local school procedure. Included in these procedures will be written notification of parents outlining their right of appeal.

Arrival and Dismissal Times

- School take-in is 7:15 a.m. and dismisses at 2:31 p.m.
- Breakfast is in the cafeteria from 7:00 a.m.-7:15 a.m.
- Students who report to the cafeteria must eat breakfast and then report to the gym.
- Students who choose not to eat breakfast must report promptly to the gym and wait there to be dismissed to their first class of the day.

Students arriving after the bell at 7:20 a.m. must check-in at the office by the parent or guardian. The parent or guardian must come into the school and sign the child in when tardy. Parents should make every effort to have students arrive on time. It is disrupting to the classroom and the instructional process when students are tardy. Tardiness to class without a pass from the office will result in a discipline referral.

- Students must be picked up from school no later than 3:00 p.m., as supervision is not provided after that time.
- For the safety of our children, **parents are asked not to leave students before 6:30 a.m. or after 3:00 p.m.**, as supervision is not provided. Failure to comply with the Parent Contract is grounds for removal of a child from the Magnet Program.

- When a student has been picked up late (4) four times in a school term, referral to the Magnet Supervisor and Director of Student Services will be made for removal from the program.

Perfect Attendance

Perfect attendance is achieved when a student has not missed a day of school and has not gotten an early dismissal or arrived late (tardy).

Tardy to School

Please remember that when students are tardy, they are missing classroom instruction. If a student arrives to school late following an appointment, the tardy will be calculated into the tardy policy. An Excused tardy is still counted in the tardy policy. Tardiness will also be considered when determining Perfect Attendance. We feel that this policy will eliminate the classroom disruption caused by students who are coming into class tardy.

The following guidelines, regarding tardiness to school, will be enforced:

- When a student has four (4) tardies, a letter will be mailed to the parent.
- At the time of the eighth (8) tardy, a required parent/guardian conference will be held with the counselors or Assistant Principals.
- At the time of the tenth (10) tardy, a conference with the Principal, Assistant Principal and the attendance social worker will be assigned.
- At the fifteenth tardy (15), students will be referred to the Early Warning Truancy Program and the Magnet School Supervisors for further actions.
- Students with an unexcused tardy are not allowed to make up missed assignments, tests, exams, projects, etc. (See the Principal)

Early Dismissals

Parents are encouraged to schedule all medical and dental appointments after the regular school day. If it is essential that such an appointment be scheduled during the day. NO early dismissals after 2:00 p.m. will be granted without prior approval. Parents must come to the office to pick up the student. If a child receives an early dismissal before 11:00 a.m., they will be marked absent for the day.

Early dismissal will be considered when determining perfect attendance status. A photo I.D. will be required from all parents/guardians before the student will be released. A student will not be released to anyone whose name does not appear on the student's enrollment. The parent must keep this current. To make changes to the emergency or pick up list parent/guardian must come into the school office.

Students may be withdrawn from the Magnet Program if parents fail to pick up their child on time from school or school activities. School dismissal is 2:31 PM and all students need to be picked up by

3:00 PM. The responsibility to be prompt in picking up your child lies with the parent. Continual late pick up from school/school sponsored activities (4 instances) will result in your child/children being withdrawn from the Magnet Program.

Messages from Parents to Students

Telephoning during School Hours - Please do not call the school requesting a message be passed on to your child unless it is an emergency. We will not be able to honor your request. Our goal is to limit the number of interruptions during instructional time. It is very important that all transportation arrangements and other matters be taken care of before students report to school each day. It is also not in the best interest of your child for us to take a message on the phone instructing your child to do something when we have no way to ensure the message is legitimate.

ACTIVITY/SCHOOL FEES

School fees include instructional supplies, computer maintenance, first aide, postage, and guidance. This does NOT include laboratory fees, elective course fees, or supplies needed in some courses (workbooks, materials, or subscriptions). Fees are to be paid by cash, money order, cashier's check, personal check, or card. All checks must include two (2) telephone numbers and driver's license number. *If a family writes two NSF checks at the school (including cafeteria, PTA, fundraiser etc.) no further checks may be written for the remainder of the school year. All further items must be paid in cash. There will be no exceptions to this policy.*

EMERGENCIES

EMERGENCY CLOSING OF SCHOOL

During emergency situations, we must know how each child is to get home. The phones will not accommodate a large number of calls or could be out of order. Please talk to your child now about how he/she is to get home in case of an emergency school closing. Be certain to keep contact numbers up to date in INOW. Announcements of early closing will be made on local radio and television stations. Please do not call the school.

UNIFORM POLICY

Dress Code and Appearance

There is a distinct relationship between dress code and student's behavior, attitudes, and achievements. Uniform dress will be required and monitored daily.

- All uniforms should be clean and pressed (not torn, tattered or with holes).
- Inappropriate attire will be called to the attention of the student and administration will be contacted. Parents must take appropriate measures and correct the uniform dress violation.
- The administrative team of the school will make final decisions pertaining to the compliance with policy.
- Students who do not comply with policy will be denied admission until such time as they are in-compliance, in accordance with the intent of the State Legislature.

Uniform Violations Include, but are not limited to the following:

- Untied shoes, unpolished/dirty shoes,
- Un-tucked shirts
- Inappropriate hair length for girls and boys
- Nothing is to be tied around the waist

- Skirt too short

Zoghby's is the official uniform supplier for Denton Magnet. All skorts, shorts, skirts, pants, dress shirts, sweaters etc. purchased at another store must be an exact match of the uniform supplied by Zoghby's.

The justifications for such expectations are, as follows:

- (a) To create an atmosphere conducive to learning and to minimize disruptions attributable to personal appearance, conduct grooming and hygiene and attire.*
- (b) To foster an attitude of respect for authority, and to prepare students to enter the workplace, which often has rules regarding dress, conduct and appearance.*
- (c) To ensure that the conduct and grooming of students who represent Mobile County School System in extracurricular activities create a favorable impression of the System and the community.*

More information can be found at Alabama State Department of Education Website.

Conduct

Students are responsible for behaving in a manner that permits uninterrupted learning to take place. It is our hope that a desirable learning climate, necessary for developing young people into responsible members of the adult community, can be provided through the cooperation of parents and educators. Permissiveness, whether it is in the home or school, is a disservice to youngsters and does not adequately prepare them for future acceptance of adult responsibilities. Therefore, the cooperation of all students, parents, and school personnel is required to ensure that all students learn to follow rules and respect the rights of others.

Campus Expectations

- Teachers expect to teach without behavior disruption.
- Teachers expect each student to be allowed to learn without interruption from other students.
- Each student should be allowed to learn in a safe bully-free environment.

- Raise your hand to be recognized and wait until you are recognized before speaking.

Classroom Rules

Maintaining good classroom control is a vital part of the instructional process. Classroom rules are set by the teacher based on the Mobile County School Code of Conduct. Rules for organization and class assignments may be set up to meet the needs of each individual teacher. The teacher will go over rules verbally at the beginning of the year. In addition to school-wide rules each teacher develops a plan of discipline for their classroom. Students and parents should be aware of the individual teacher's plan of discipline and ensure compliance.

In the classroom, students will follow these guidelines

Exams and Other Assignments - Cheating on exams including all Mobile County Public Schools assessments, Alabama State Department assessments, and other mandated assessments will result in an automatic suspension. (The number of days will be determined by the administrator).

****Cheating can result in a student being ineligible for honors/awards and/or extracurricular activities or grade of zero.**

The following use is considered cheating and punishable as such:

- Sharing homework answers via text messaging.
- Sharing test answers via text messaging.
- Programming notes into your cell phone for your own use during a test.
- Taking and/or sending a cell phone picture of test materials.
- Video recording lectures with cell phone and replaying during a test.
- Using the Internet function during a test to search for answers.
- Storing definitions and notes into cell phone.

Plagiarism

Plagiarism is the taking and using words of another and passing them off as one's own. Under no circumstances (unless specifically allowed by the teacher) is it permissible for a student to either copy another student's work, or have another person do or contribute to a student's work, and then turn the work in as his/her own. This includes copying words from the internet and using an online translator.

All borrowed information must be properly documented and cited. The consequence for breaking the for plagiarism is receiving a "0" for the assignment in question. Use of reference work (including internet) must be approved by the teacher and cited. Cheating is also allowing another student to copy homework/schoolwork.

Cheating Consequences

1st Offense – all parties involved will receive a zero ("0") for classroom assignment.

Minimum: Teacher/student/parent/guardian conference and all students involved will receive a "0" on the assignment.

Maximum: Suspension from school and "0" for the assignment.

(The number of days will be determined by the administrator.)

Honor Code: On my honor, I will neither give to anyone, nor receive from anyone information about a test/quiz/essay.

Profanity - Use of obscene language, whether spoken, written, or gestures will result in detention or suspension. Repeat offenders may receive several days of suspension upon the discretion of the principal.

Communication Devices

Students shall not ***power on*** or use an electronic communication device while on school property or while attending a school-sponsored activity on or off school property. **Communication devices will remain in the student's bookbag/locker until directed by the teacher for use.** An "electronic communication device" is a device that emits an audible signal, vibrates, or displays a message or otherwise summons or delivers a communication to the possessor. A person who discovers that a student ***has powered on or used*** an electronic communication device in violation of this policy will report the violation to the principal. Parents are asked to call the school if they a message forwarded to their and to please refrain from texting the student while they are at school.

Cell Phones

Cell phones ***powered on*** are not allowed on campus, school buses, or at any other school-sponsored activity ***unless directed to by a teacher***. **Cell phones are to remain in the student's bookbag/locker until directed by the teacher for use.** Electronic communication devices may not be used while on school buses traveling to or from school. Possession of a cell phone ***powered on*** will result in confiscation of the cell phone.

Confiscation of Electronic Communication Devices

In the event a student ***has powered on or used*** an electronic communication device, that device will be confiscated until the end of the school day for the first offense and will be released to the student. The second confiscation will require the device to be released to a parent. The third confiscation of a device will result in the student being placed in In-School suspension and the device will be released to a parent. All further device infractions will result in one day suspensions of the student. While all reasonable efforts to secure the confiscated device will be made, the school assumes no responsibility for theft, loss or damage.

Employee/Student Electronic Communication

Communication via cell phone or text messaging shall be strictly prohibited between school employees and students. The purpose of this policy is to lessen the likelihood of inappropriate communication between students and employees. Violation of this rule may subject both the student and the employee to discipline, up to and including termination. Teachers may send messages to parents using Remind.

Use of a Cell Phone

Students are not allowed to use cell phone cameras or any type photography to take photos of students, teachers/staff and/or to post those to a social network site.

Special Note about “Sexting”- “Sexting” or “sex texting” is the act of sending and receiving explicit photos of yourself or others via text messages on a cell phone. Many teenagers likely view it as a harmless game or a fun way to be provocative or impulsive. The pictures often originate between boyfriends and girlfriends, until the inevitable breakup and then there is a sudden sharing of what were originally intended to be private photos. We all know students can send messages to multiple phones quickly and widespread dissemination of such photos or videos can happen instantaneously. No matter what the intent of these students, children across the country are being arrested for taking, sending, and receiving nude photos of one another with their cell phones. You and your children need to be very aware that *this is a crime*:

Ala. Code 13A-12-192 makes it a crime to possess a naked or sexually explicit video or photo of a person 17 years of age or younger. This is a Class C Felony.

Ala. Code 13A-12-191 makes it a crime to send or display a naked or sexually explicit video or photo(s) of a person 17 years of age or younger. This is a Class B Felony.

Ala. Code 13A-12-197 makes it a crime to film or photograph a naked or sexually explicit video of a person 17 years of age or younger. This is a Class a Felony.

We urge you to talk to your children about the seriousness of such actions. What they do as teenagers can have a profound impact upon the rest of their lives.

ALCOHOL, DRUGS, WEAPONS, GAMBLING

All Alcohol, drugs, and weapons are prohibited. The Mobile County Public School Students Code of Conduct identifies policies and procedures to be followed. This policy applies to all students and parents in the public schools, on school campuses, school buses, and during school related activities and events. We encourage you and your student to become familiar with this document.

Suspension for those violations of any C, D, or E offense may result in criminal prosecution. Violations of these policies will be considered an act of serious misconduct. The principal or his/her designee shall immediately inform the Resource Officer and an investigation will be conducted. Students will be withdrawn from the Magnet School Program for violations of C, D, or E offenses. Please review the Mobile County Public Schools Student Handbook and Code of Conduct which discusses policies that apply to all students, parents and guardians in the Mobile County Public School System regarding all school campuses, school buses and school-related activities and events.

After School Detention - Detention is an alternative to suspension. A form will be sent home to inform the parent/guardian of the detention. The form must be signed and returned to the office or additional time will be given. If a student leaves detention early, or fails to serve detention appropriately, they will be assigned additional days in detention or be suspended from school. Detention may only be rescheduled once before a suspension is issued.

REMOVAL FROM THE MAGNET PROGRAM

The admission standards and the continuation in the Magnet Program standards are the same.

- A student may not remain in the Magnet Program with more than four (4) office referrals and one (1) suspension within a school year, based on the principal’s decision.
- The number of suspensions on all students is checked against the MCPSS Student Services’ *Suspension File* at the end of the school year after all suspension appeal hearings have been completed. Any student with more than one (1) suspension¹ may be removed from the Magnet Program. Parents will be notified by mail of the student’s removal from the Magnet Program by the Magnet School’s Program Office (*As deemed necessary by the Principal*).
- During the school year, no student with a Class C, D, or E offense, as defined by the MCPSS *Student Code of Conduct*, is eligible to be selected into the Magnet Schools Program or allowed to continue in the Magnet Schools Program.

PROMOTION AND RETENTION

Promotion and retention standards for Denton Magnet differ from system standards. At Denton Magnet, the instructional program offers advanced level courses. In keeping with the commitment to provide a rigorous academic program, the student is required to achieve a minimum yearly average of 70% or above in all core subjects. Should a student earn 60% to 69%, on a yearly average, he/she must return to the school that serves their geographical district. At the discretion of the principal, a student scoring 60% to 69% may repeat the grade and remain in the magnet program at Denton.

- Mid-term progress reports are issued at the fourth (4.5) week of each quarter. Students are expected to have parents review the report, sign it and return it to the homeroom teacher. Report cards are issued approximately five (5) days after the end of the quarter. If you don't see report cards call the school office 221-2148 and ask for a copy.
- Parents should check INOW regularly (weekly) for student grades and academic progress. If you need assistance with accessing this program call the school registrar.

The Denton Magnet School Chapter of the National Junior Honor Society

NJHS is a service organization whose members are selected based on their cumulative academic record and their citizenship, leadership, and character. It is indeed an honor to be chosen as a member of the Denton Magnet School Chapter of the National Junior Honor Society.

NJHS is a service organization. As stated in the National Junior Honor Society Handbook, the selection of the National Junior Honor Society is a privilege, not a right. Students do not apply for membership of the NJHS; instead, the provided information is to be issued by the local selection committee to support their candidacy for membership. Membership is granted to those students selected by the Faculty

Council in each school. This is not an election, nor is membership automatically conveyed simply because a student has achieved a specified level of academic performance. NJHS is more than just an honor roll. The components of leadership, service, citizenship, and character are carefully considered in the selection process.

The National Junior Honor Society Faculty Council at Denton Magnet School is made up of several faculty members who serve as sponsors and cosponsors.

SCHOOL SPONSORED FIELD TRIPS

Field Trips

In a continued effort to afford our children a broad education, we encourage and provide field trips to places and events that relate directly to a topic being taught in a given class. All field trips are educational and have an educational purpose. Enrichment and follow up activities will be expected and completed by each student. Field trips are a privilege afforded to students. **No student has an absolute right to a field trip.** If a student fails to meet academic or behavioral requirements, the teacher will conference with the principal and the **principal may determine**, in the best interest of the group that the child may not attend any given trip. Every field trip will be preceded by a “field trip information letter/packet” from the teacher which includes details of “what, when, where etc.” If you do not wish your child to go on a field trip, there will be a place on the letter to indicate your preference. There will be a place designated in the school for students to be kept during the time the teacher and other students are on a field trip. The ONLY acceptable forms of a parent granting permission include the following (1) returning the signed field trip information letter to the school; (2) or delivering to the school the signed permission form to the school. Unacceptable methods of granting permission for your child to attend a field trip include: (1) emailing the school or (2) placing phone calls to the school. Field trips are a privilege, and as such if a student’s behavior or schoolwork is unacceptable, participation in field trips or special activities can be denied. Inappropriate behavior is a cause for having a child removed from a field trip. Buses are used for field trips, often the trip requires a chartered bus contract which must be paid in advance of the trip. ***Field trip money is not refundable, in whole or part at any time for any reason. The school cannot be responsible for cost incurred due to field trips. There will be no refund for field trip money spent should the child/parent be unable to attend. Fees are determined by the total cost of the trip, divided by how many children and chaperones attend. Again, there will be no refund of the deposit, or any payments.***

Requirements

Students may not attend field trips for the following reasons:

- A failing average in any subject area at the time of the field trip
- Excessive missing work in any subject area.
- Inappropriate behavior for which detention has been assigned.
- Inappropriate behavior on previous field trips.
- Suspension from school.
- Excessive absences.

Notarized health forms, copies of the front and back of parent/guardian driver license, health insurance card and social security card must accompany all out of county field trip permission forms. Students without insurance coverage will not be taken on any trip outside of Mobile County. MCPSS medication procedures must be followed on all field trips.

CHAPERONES

Denton Magnet field trips are for students enrolled in Denton Magnet only and are specific to teacher or sponsor, not school wide activities. No siblings may accompany the child/parent chaperone on any field trip. **Chaperones must be either the parent or legal guardian.** Chaperones must be approved by the principal ten (10) working days prior to the trip. Chaperones are liable for the safety of all students to which they are assigned. The number of chaperones needed for each trip will be determined by the teacher and principal.

When parking at Denton Magnet School to accompany a student on a field trip, parents/guardians should park in the parking lot on the side of the gym.

Money paid for fieldtrips will not be refundable at any time for any reason.

VISITORS ON CAMPUS

Parents and volunteers are welcome; however, the exterior doors will be locked for security reasons. For entry into the school, use the front doors at the main entrance. **Upon entry, please check in at the desk in the office.** Visitors are asked to sign the visitor's log, obtain a visitors-pass and wait for the office staff to direct or escort guests to the appropriate place. Teachers are unavailable to meet with parents during school hours unless previously scheduled. No parent or visitor should stand in the hallway outside a classroom or office. All letters of introduction are to be verified by the secretary and leaving campus, sign out and return the visitor's pass. Visitors not following the established policy will be referred to an administrator for appropriate action. The local Police Department provides regular walk-throughs or drive-throughs for additional security.

PARENT/TEACHER CONFERENCES

Personal conferences require emailing the teacher to schedule a conference. Conferences will be scheduled during the teacher's planning period, before or after school hours. Please respect their family time and do not call them at home after hours. Teachers will strive to return messages within twenty-four (24) hours.

MEALS

The menu is published monthly so students and parents know what is to be served and they can plan accordingly. Breakfast is served from 7:00 a.m. until 7:15 a.m.

PARTNERS IN EDUCATION

We are very fortunate to have several business partners and community supporters. This group has played a vital role in the smooth operation of our school. Many accomplishments have been made possible through their efforts. We look forward to continuing this wonderful partnership program. We would like to extend an invitation for more business partners and community supporters to join our school family.

TRANSPORTATION

Transportation to Denton Magnet School is provided by the Mobile County Public School System. Bus pick-up sites are centralized. Because safety is a primary concern, the driver must always be obeyed. Buses will load and unload in the designated area each morning and afternoon. See assistant principal for information. All school rules apply to bus behavior while in transport.

UNAUTHORIZED PHOTOGRAPHS AND UNAUTHORIZED RECORDINGS

Denton Magnet School explicitly prohibits students from taking unauthorized photographs or making unauthorized recordings of others, which includes but is not limited to other students and employees. Non-prescription medication will not be administered at school or on field trips. The morning dose of all medication should be given at home. We will administer mid-day medication as indicated by physician order. **All medication must be brought to the school by a parent/guardian.**

Students CANNOT bring medication to the school or carry it on field trips.

Inhalers and EpiPens are considered emergency items. Students may carry them in backpacks as needed with a physician's letter and approval of the school's nurse. This letter must be kept on file in the first aid office.

DELIVERIES

Deliveries for students will not be accepted. Please do not send flowers, balloons, candy, etc. to the school for your child. Students are not allowed to take these items to class. We also ask that you not bring items to the school (books, P.E. uniforms, homework, projects, lunch money etc.) as this causes interruption during instruction. While we appreciate your thoughtfulness, we do not allow cupcakes, birthday cakes, special snacks, etc. to be delivered and shared among students due to food allergies and health concerns. Thank you in advance for understanding.

WITHDRAWAL PROCEDURE

Parents should inform the office in writing if they are going to withdraw their child from school. The parent should come to the school to secure the appropriate withdrawal paperwork. Students withdrawing from school must report to the office with a parent/guardian requesting withdrawal with verification information. The student will turn in all textbooks and library materials, and clear up any debts, before withdrawal will be finalized.

SYSTEM WIDE TESTING

System Wide Testing is at the discretion of MCPSS and Alabama Dept. of Education.

Alabama Comprehensive Assessment Program (ACAP)

The ACAP will be administered to students as mandated by the State of Alabama.

PARENT INVOLVEMENT

Parents are strongly encouraged to take an active part in their child's education and join the Parent-Teacher Association (PTA). Please contact **Mrs. Burns** to volunteer or join PTA.

Parental input is necessary and actively sought through both formal and informal means. Parents should understand, however, that the operation of the school is the responsibility of the school personnel.

By choosing to enroll a child in Denton Magnet School and by signing the Parent Compact and Parent Contract, you have provided your child with an opportunity to receive an excellent education. In addition, parents have accepted the responsibility to provide the appropriate encouragement, guidance, and home environment to foster the most helpful learning situation possible.

Parents should uphold our school philosophy in the following ways:

- Support the dress code.

STUDENT RECORDS

Student Education Records, Survey Information, Military Recruiters, and Directory Information

Board Policy was revised in 2003 regarding student records. Please read carefully.

Education Records

The Mobile County Public School System provides for the creation and maintenance of education records necessary for the education of students. Education records are those records, files, documents, and other materials which contain information directly related to a student as further defined by the Family Educational Privacy Act, 20 U.S.C.A 1232 g. Education records are confidential and access to them is protected by federal law.

The following guidelines apply to the release of student education records:

Parents shall be provided on request with a list of the types of records directly related to student which are maintained by the school system.

If any material or document in the education record of a student includes information on more than one student, the parents of one of such students shall have the right to inspect and review only such part of such material or document as relates to such student or to be informed of the specific information contained in such part of such material.

The Family Educational Rights and Privacy Act (**FERPA**) affords parents and students over 18 years of age (“eligible students”) certain rights with respect to the student’s education records.

These rights are:

The right to inspect and review the student’s education records within 45 days of the day the school receives a request for access. Parents or eligible students should submit to the school principal a written request that identifies the record(s) they wish to inspect. The principal or his/her designee will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the school Board; a person or company with whom the school has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest in the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the school discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.

Directory Information

The Family Educational Rights and Privacy Act (FERPA), a Federal law, requires that the Board of School Commissioners of Mobile County, with certain exceptions, obtain parental written consent prior to the disclosure of personally identifiable information for your child's education records.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or public yearbooks.

In addition, two federal laws require local education agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with three directory information categories – names, addresses, and telephone listings – unless parents have advised the LEA that they do not want their student's information disclosed without their prior written consent.

The Board of School Commissioners of Mobile County has designated the following information as directory information:

- | | |
|--------------------------|---|
| -Student's name | -Dates of attendance |
| -Address | -Grade level |
| -Telephone listing | -Participation in officially recognized activities and sports |
| -Electronic mail address | -Weight and height of members of athletic teams |
| -Photograph | -Degrees, honors, and awards received |
| -Date and place of birth | -The most recent education agency or institution attended |
| -Major Field of study | |

If a parent does not want the Board of School Commissioners of Mobile County to disclose information from the child's education records to military recruiters without prior written consent, the parent/guardian must notify the Board in writing to the Director of District Technology Support Services, Mobile County Public School System, Post Office Box 180069, Mobile, AL 36618, within thirty days of the beginning of school or within thirty days of the student's admission if the student is admitted after the beginning of the school year. Parents and guardians must indicate on their opt-out submission whether the "opt-out" applies to military recruiters. Otherwise, the Board of School Commissioners of Mobile County will allow military recruiters access to the child's information.

The school system is not required to release student directory information to the public. The decision to authorize release of student directory information shall be discretionary with the Superintendent or his/her designee. Any release of student directory information shall exclude information that has been requested by parents or guardians not to be released, provided the request has been made as provided.

All the rights listed above may be subject to certain restrictions or constraints. Such rights are transferred from parent or guardian to the student once the student has attained the age of eighteen or is attending an institution of postsecondary education. For more information regarding above, contact the Division of Student Support Services, Supervisor of Guidance and Records.
