Quitman County School District Revised Grading Guidelines

The information below provides guidance for grading, retention, and promotion policies for the 2019-2020 academic school year:

These guidelines are to ensure Quitman County students are not penalized for conditions beyond their control and to ensure that students are not held back in their K-12 progression as a result of the COVID-19 school closure.

Elementary & Middle School

- No state or local assessments will be administered during the 4th nine weeks
- Final grades for students in Prek-8th grade will be calculated as the average of the 1st, 2nd, & 3rd nine weeks' grades.
- Work completed during the 4th nine weeks will only be used to improve a student's grade.
- Students who have not earned a grade of 70 or higher at the end of the 3rd nine weeks must complete assignments to improve their final grade.
- Students will continue to receive assignments through May 15, 2020.
- All student grades will be entered by May 22, 2020
- Report cards will be mailed the week of May 25th to the address we have on file
- Additional summer learning resources will be provided by the school. Details are forthcoming.

High School

- No state or local assessments will be administered during the 4th nine weeks
- Final grades for students in high school will be calculated based on their average as of March 17, 2020.
- Work completed after March 17, 2020 will be used to improve a student's grade.
- Students who had not earned a grade of 70 or higher by March 17, 2020 must complete assignments to improve their final grade and receive credit for the course.
- Students will continue to receive assignments through May 15, 2020.
- All student grades will be entered by May 22, 2020.
- Report cards will be mailed the week of May 25th to the address we have on file
- Additional summer learning resources will be provided by the school. Details are forthcoming.

It is our goal to continue to extend learning opportunities to all Quitman County students to help them learn and grow.
