Julie Albritton
Grade School Principal

After school today, Wednesday, September 16, 2020, Brimfield administration learned of a positive case of COVID-19 at Brimfield High School.

Bill Robison
High School Principal

At this time, Brimfield administration has decided to operate Brimfield High School remotely tomorrow, Thursday, September 17, 2020. This allows sufficient time for contact tracing. We plan to clean affected areas on Thursday and re-open for in-person instruction on Friday, September 18, 2020. If this plan changes, we will communicate this to you.

Bren Dwyer
Grade School Secretary

Julie Edwards
High School Secretary

Brimfield High School students should communicate with their teachers via email in terms of what work is to be assigned and completed. We understand this happened in a short time frame, and we will be flexible with students who may not have access to all needed materials. Students who do have access are asked to complete their work as usual.

Kelsey Messineo
School Counselor

Kevin Kreiter
H.S. Athletic Director

We appreciate the patience and flexibility of the community as we continue to progress through unprecedented times in education.
