### **First Class Pre-K Random Selection Procedures for the 2021-2022 School Year March 31, 2021**

---

**Random selection will be conducted virtually and can be viewed via Facebook Live beginning at 8:30 a.m. on Wednesday, March 31, 2021.**

The selection procedure below will be followed for all four Pre-K sites:

1. An online random number generator will be used to produce a list of random numbers to accommodate the number of registered children at each school.
2. The names of children for whom the required documents (birth certificate and proof of residence) were submitted are eligible for a classroom position.
3. Capacity for each Pre-K class is 18 children:
  - a. At Eclectic Elementary and Holtville Elementary (1 Pre-K classroom at each school), the first 18 children selected for each school have a guaranteed classroom position.
  - b. At Coosada Elementary and Wetumpka Elementary (4 Pre-K classrooms at each school), the first 72 children selected for each school have a guaranteed classroom position.
4. The remaining eligible children at each site will be placed on the waiting list in random number order.
5. Children for whom no documents were received will be assigned positions on the waiting list using a separate list of random numbers.
6. These children will be added to the wait list in random number order after the students with required documents on the wait list.
7. Random selection results for each school will be posted on the ECBOE website at [www.elmoreco.com](http://www.elmoreco.com) by Monday, April 5, 2021.
