## **Guidance Office**

During this unpredictable time in our school, PBHS Guidance Office wants to provide our students with as many resources to assist during this national pandemic.

It is the desire of the district to maintain a safe environment as a result, in person office visits will be limited to appointments only.

Each student at Pine Bluff High School is assigned a specific counselor. This is done in order to make the transition to high school as seamless as possible, as well as provide consistency throughout the years with any academic, social and emotional issues a student may encounter.
