

# Summer Learning in the Randolph County School System

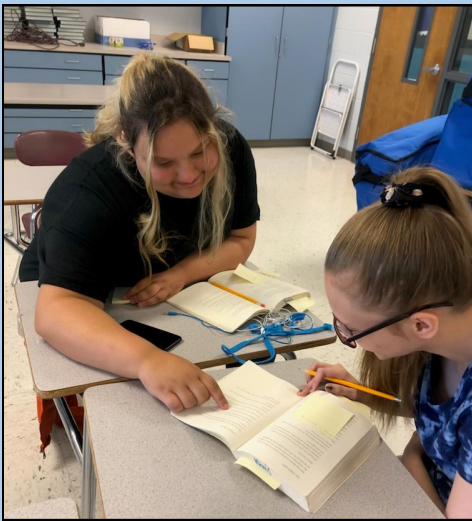

Southeastern Randolph Middle School students conduct liquid pH tests in a lab.

---

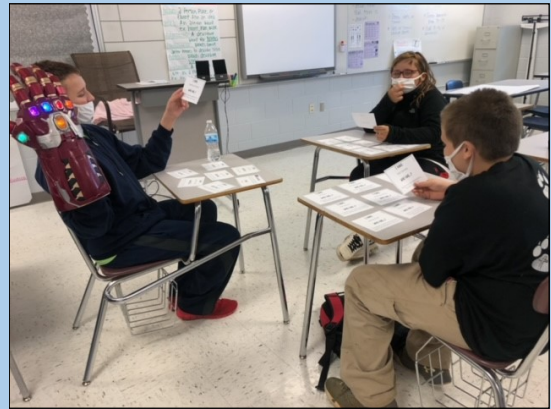

Camp Read-A-Lot at Hopewell Elementary School

---

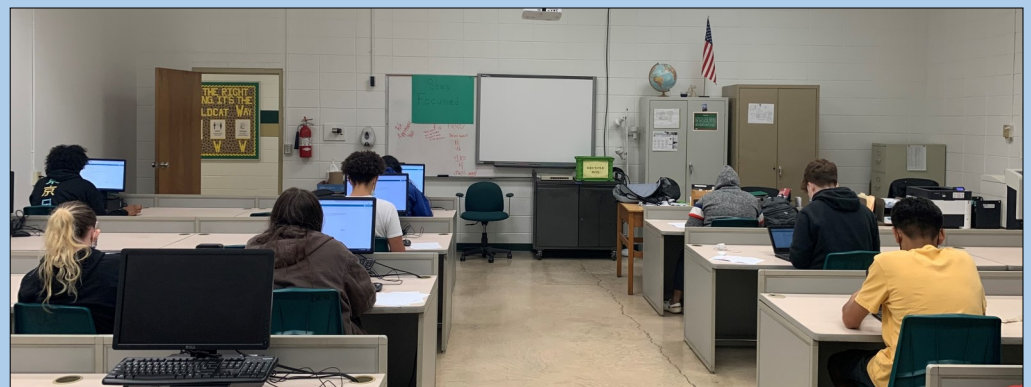

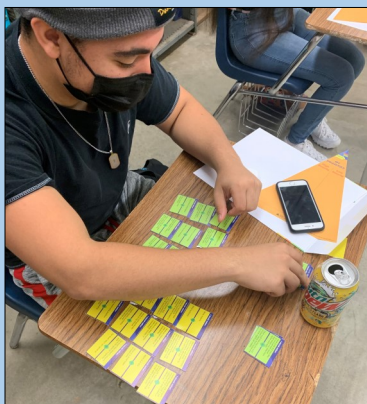

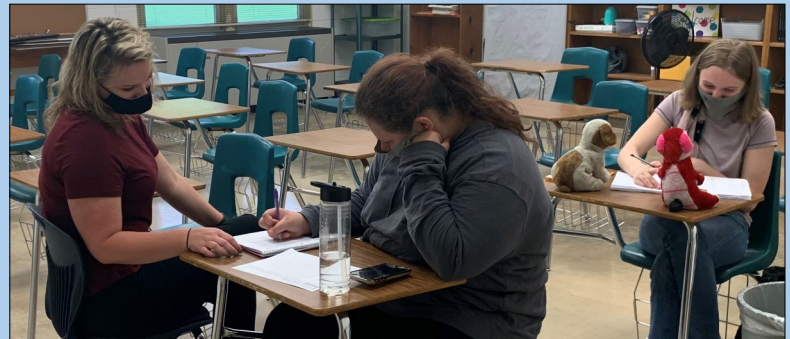

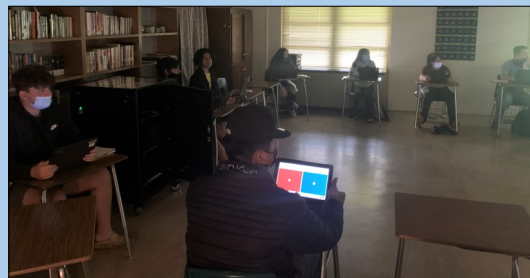

Learning is in full swing at Uwharrie Ridge Six-Twelve this summer as students have access to both remediation and enrichment.

See [details](#).

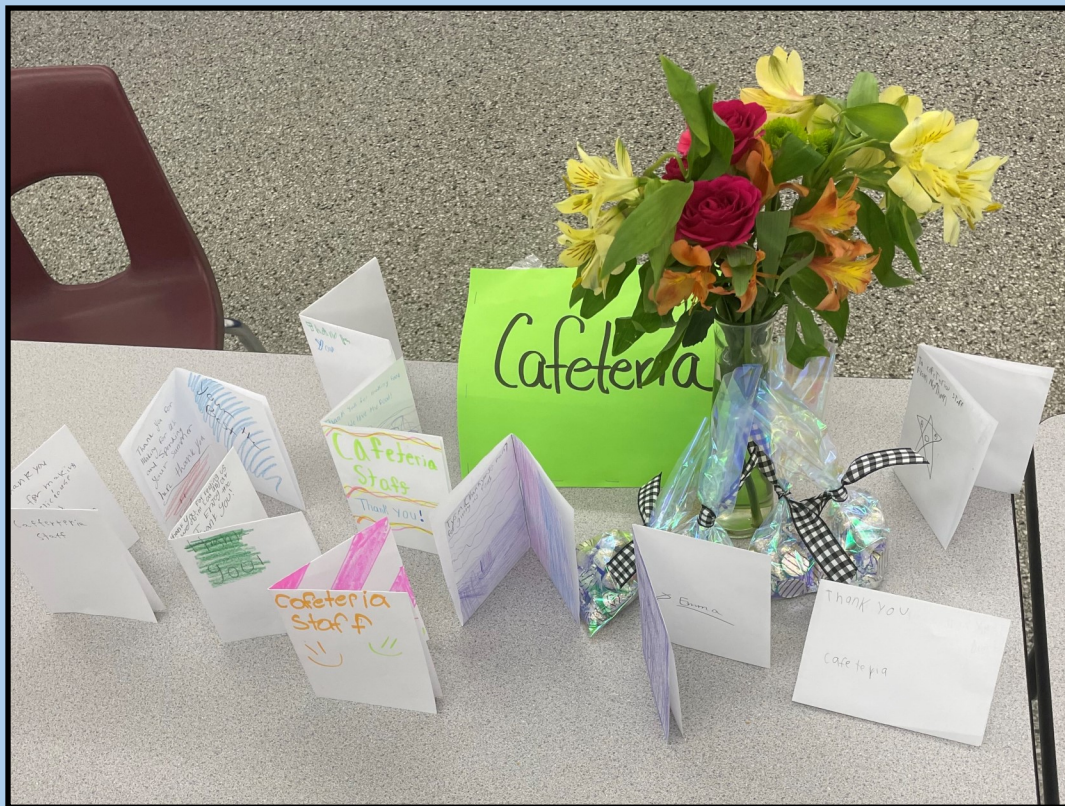

---

**Good things happening at Eastern Randolph summer school.  
It is because the students want to be successful and the teachers genuinely care!**

This is how fifth graders at Grays Chapel summer school said “thank you” to the school’s support staff members for taking their summer to work/help with summer school!
