

WELLNESS

Category: R

The Board recognizes the importance of proper nutrition and developmentally appropriate physical activity as ways of promoting healthy lifestyles, minimizing childhood obesity, and preventing other diet-related chronic diseases. The Board also recognizes that health and student success are inter-related. It is, therefore, the goal of the Board that the learning environment positively influences a student's understanding, beliefs, and habits as they relate to good nutrition and physical activity.

Goals:

1. The District shall teach, encourage, support and model healthy eating habits for students.
2. The District shall teach, encourage, support, and model age appropriate daily physical activity.
3. The District shall educate students, employees, school board and community members to the important benefits of a healthy lifestyle.

Nutrition Guidelines:

The School District's nutritional standards are based upon standards established by the USDA and New Hampshire Healthy School Coalition/Best Practice. These nutrition guidelines, apply to all foods available to students on school grounds during the school day, including but not limited to, the school lunch and breakfast program, foods and beverages sold in vending machines/school stores and as part of classroom lessons/activities, parties, celebrations or fundraising efforts. As needed the Wellness Committee will request that the Superintendent notify each School Board regarding any changes that have occurred in federal and state nutrition guidelines that need to be reflected in this Policy.

A. School Meals: School Meals served in the District shall meet or exceed the nutrition requirements established by the USDA, laws, and regulations. Administration of the school meal program will be by qualified school food service staff. School lunches and breakfast programs will offer variety of foods and choices for students. Nutritional information about school meals will be available for students and parents through menus, websites and other appropriate school media.

B. Free and Reduced Meals: Eligibility for and distribution of free and reduced priced meals will be provided with confidentiality in accordance with state and federal requirements.

C. Breakfast & Lunch: In order to meet the nutritional needs of children and enhance their ability to learn it is recommended that all schools in the District provide a breakfast program in addition to their already established lunch programs.

D. Meal Times and Scheduling: Schools whenever possible:

- Shall ensure students have sufficient time to eat breakfast and lunch in accordance with the federal Child Nutrition and WIC Reauthorization Act of 2004.

- Shall not schedule tutoring, club, or organizational meetings/activities during mealtimes, unless students may eat during such activities.
- Shall schedule lunch periods to follow recess periods.
