

**Southern Local Elementary School**  
**Safe Student / Healthy Student Programs**  
**October / November / December 2019**

Each school year during October, November and December Southern Local Elementary School presents our Safe Student / Healthy Student programs to our elementary school students. The programs are presented by outside agencies and Mr. Larry Rudloff.

The goal of these programs is to provide our students with the knowledge and understanding that will enable them to make good decisions and choices that will promote a safe and healthy lifestyle.

The programs that will be presented this year are listed on the schedule below. If you should have any questions regarding our programs please feel free to contact me at your convenience by telephone or e-mail.
