California Department of Education School Accountability Report Card Reported Using Data from the 2016-17 School Year

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About Our School

Anderson Elementary School is located in Dixon, California, a small town of 18,000 in northern Solano County. The school serves approximately 500 children in transitional kindergarten through sixth grade. The Anderson's mission is to provide a nurturing and academically rigorous community where students reach individual learning success and take pride in their education.

Over 50% of our students are English Learners, with Spanish being the first language of all but a few families. Students are educated in English only and Structured English Immersion, with an emphasis on English Language Development and improving English language proficiency for all students.

School improvement goals continue to be implemented with the help of our District-Site Leadership Team (DSLTL), School Site Council (SSC), English Learner Advisory Committee (ELAC) and staff. The teaching support staff receives professional development on the delivery of core curriculum and research based strategies for student success. These strategies are implemented across the curriculum and are monitored and refined through the support of district/site coaches and the principal.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven (School Year 2016-17)

Subject	Percentage of Students Meeting or Exceeding the State Standards					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts / Literacy (grades 3-8 and 11)	31%	33%	41%	40%	48%	48%
Mathematics (grades 3-8 and 11)	26%	25%	32%	31%	36%	37%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in ELA by Student Group**Grades Three through Eight and Grade Eleven (School Year 2016-17)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	274	264	96.35%	32.95%
Male	152	147	96.71%	29.25%
Female	122	117	95.90%	37.61%

Students with Disabilities	33	31	93.94%	
Students Receiving Migrant Education Services	24	24	100.00%	33.33%
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

School Safety Plan (School Year 2017-18)

Maintaining the safety and security of students and staff at Anderson Elementary School is a priority in our daily operations and long-term planning. When family members, volunteers, or representatives from outside agencies visit the campus, they first report to the office where they sign in and acquire a visitor badge. This protocol is encouraged with signage and reinforced by staff members. Students are supervised during all parts of their day. Certificated staff provides instruction and oversight during class time while classified staff supervises students during recess and lunch periods. The Comprehensive School Safety Plan is in compliance with Senate Bill 187. Yearly, the committee meets to review materials. In addition to an Incident Command structure, this document outlines responses to fires, floods, earthquakes, toxic spills and campus intrusions. Specific instructions for staff and student response are outlined in the plan. All staff and students practice fire drills monthly and lock down drills at least twice a year to reinforce the procedures outlined in our Safety Plan. Should such a situation arise, school staff will remain on duty to ensure the welfare of all Anderson students until it is feasible and appropriate for parents and guardians to pick them up. The school maintains necessary first aid supplies in designated locations and these are inventoried and replaced each year.

Professional Development

Professional development for 2017-2018 school year included: professional learning communities (2 days offered over the summer, 2 days during winter break), UCD math and writing projects, PBIS, and EL Achieve, in which training days are provided throughout the school year. Teachers also have Common Planning Time (CPT) that occurs each week on early-release Wednesdays. During this time, teachers collaborate in grade-level, site, or district groups to reflect upon student progress and plan for continued student learning. The areas of focus for collaboration at the elementary level include engagement strategies, differentiation through small group instruction, and implementation of English Language Development strategies. These areas were identified through the collaborative LCAP process in 2016 with a common purpose of aligning curriculum and instruction with the Common Core State Standards. Professional development conducted during CPT is augmented by the support of an Instructional Math and ELD district coach. These coaches work closely with classroom teachers to model and facilitate the use of research-based teaching strategies, research and provide resources on innovative practices, and analyze and reflect upon student achievement data.
