Anything that you can donate will be greatly appreciated and put to great use! If you cannot donate at this time, items from this list are always needed.

- Disinfectant spray and wipes are needed all year. I took these off the supply list because they are SO hard to find right now. If you have any extra at home or you ever find any at the store, please consider donating some to our class. Thank you!!
- 3M (Scotch) brand thermal laminating pouches - these can be found on the office supply aisle at Wal-Mart
- Plastic folders with pockets and with NO prongs (3 holes to go in a binder)
- White cardstock
- Canon #245 and #246 ink cartridges (one is black and other is color)
- Extra reams of white or colored copy paper
- **Box Tops (I will use these for the above items and box tops are collected all year)**
- Construction paper (I prefer one color packs but multi is fine too. One color packs can be purchased at Hobby Lobby, Turtle Shell, Michael's and the school's supply store.)
