Here is a testimony from a long time listener.

"I had been very depressed, discouraged, and even suicidal."

I am so thankful for the ministry of Power 88, the impact its made in my life, and what it has been to me and my family for over the last 30 years. In the spring of 1992, I had stumbled across the Power 88 radio station after flipping radio channels on my way to school. Before this day, I only listened to heavy metal and hard rock, but for some reason this particular day that kind of music physically made me feel ill. I had been very depressed, discouraged, and even suicidal as a result of living a rough life with rough people, participating in activities that were robbing me of life, health, peace and joy; and slowly eroding any hope I had for my future. I listened to the music playing over the following days. Hope sparked in my heart, a hope that God did know me, cared for me, and loved me deeply. On Aug 3rd 1992, I finally believed the messages in the songs

enough that I broke down in my bedroom and asked Jesus to come into my heart, wash away all the old, break off all the grief, guilt and regret, and make me new. Twenty-eight years later, I am a mom of 3, married to my husband of 27 years, and living a life of joy and peace, thankful for the testimony of My Redemption Story. My entire family has been positively impacted at one point in life or another through the ministry of Power 88. Thank you for keeping this ministry alive, and for growing and expanding to reach other areas with the gospel and truth of Jesus Christ. Your ministry is a blessing, a lifesaver, and is a daily reminder and encouragement, protecting the calling of God for so many individuals in our community. Keep shining light & life in the darkness!!
Blessings, Heather
