

# Goforth Media, Inc.

July 21, 2019

God exalted him to the highest place and gave him the name that is above every name, that at the name of Jesus every knee should bow, in heaven and on earth and under the earth, and every tongue acknowledge that Jesus Christ is Lord, to the glory of God the Father. - Philippians 2:9-11

As we continue to push forward implementing our new technology, in an effort to better serve our listeners and ultimately the Kingdom, we continue to experience some need of

fine tuning (pun intended). This is primarily due to having just installed fiber to handle the increased demand of bandwidth for our streaming and other new technology requires.

For those who listen to Power88, I hope you are enjoying the online streaming and the ability to see the artist name & song title on your car radios. We are reaching people all over the world. In fact, we received an email from a gentleman in Italy, who found us online. For those of you who listen to WBHY-AM, online streaming is still on the horizon. I'll keep you posted, as we continue to fine tune.

During this time of transition, we need your faithful prayers now, more than ever. As a listener supported station, we continue to depend on the generosity of our donors/partners for our operational success. We want you to know that we continue to thank God for you!

### Highlights from Letters to Power 88

- I just wanted to take a second and let you know how much you and your station minister to me on a daily basis. I moved to Daphne and started going back to church. I found Power 88 through members of my church and my radio hasn't changed channels since. It is a big help to me to maintain my focus on my walk with God to have inspiring music to listen to on a regular basis.
- We visited Orange Beach for a few days over the weekend. I just wanted to let you know that your station is by far the best Christian station ever! It was such a joy to be able to listen to your station. Keep up the great work!
- I love this radio station. I have only been in AL for a short time and this is the only station I listen to. I have a radio here by my computer that is tuned to your station. I listen to my radio when I'm cleaning house and in the car every time I go somewhere. The music is great, powerful and up lifting. Nothing like it used to be around when I was growing up!
