

## **Business/Non-Instructional Operations**

### **Concept and Roles in Business and Non-Instructional Operations**

The Board of Education recognizes that finances and financial management are critical to the support of district operations. To that end, the Board of Education shall:

1. Encourage advance planning through the best possible budget procedures.
2. Explore all practical sources of financial support.
3. Guide the expenditure of funds so as to extract the greatest educational returns.
4. Establish top-quality accounting, control, and reporting procedures.
5. Maintain the level of unit expenditure needed to provide quality education within the ability of the community to pay.

### **Non-Instructional Operations**

The operation and maintenance of the District's schools, equipment and other property dedicated to Board of Education use shall be in accordance with reasonable standards designed to ensure student, staff and visitor safety and health, to reflect prudent management of available resources and to support the efforts of the staff to provide a good education.
