HARVEST OF THE MONTH ~ "HEALTHY TO A T" NEWSLETTER

We promote our Harvest of the Month Program to expose students to fresh, healthy foods and try something they may not normally try at home. We use "On Display" chef demonstrations or give out samples to try! Weekly educational fact flyers are prominently displayed in the café with fun facts aimed to garner interest and attention to the food.

Our "Healthy to a T" newsletter, which will be posted on the School's food service website, incorporates tips on a healthy lifestyle, and features interesting facts and a recipe for you to try at home for either the featured fruit, vegetable, spice or herb.

WHAT WE WILL BRING TO YOU
