Superintendent's Comments:

Mr. Henson shared with the board changes in fees that had been made to the Performing Arts Center Facility Use Policy. Mr. Henson stated this was due to the increase we have received for electricity costs. Mr. Henson also stated this would only affect agreements entered into from November 14, 2008 forward.

Mr. Henson shared with the Board pictures of awards given at the "Big Voice for Children Awards Banquet." Mr. Henson stated students in Melissa Terry's art classes were selected to create these awards. Ms. Terry and her students were invited to attend the banquet and sit at the Coca-Cola table with the CEOs of Coke.

Mr. Henson thanked everyone who helped with the Veteran's Day programs. He also stated that he appreciated the respect and honor students gave the veterans who attended the programs.

Mr. Henson commended school nutrition for all of the hard work they put into the Thanksgiving dinners.

Mr. Henson shared with the board an e-mail he had received from T. Carlton Allen, who is the State of Georgia Transportation Director. In this e-mail Mr. Allen commended Benny Long for the fine job he does as Director of Transportation and Safety for Fannin County Schools. Mr. Henson wanted to remind everyone that Fannin's school busses run approximately 750,000 miles a year.

Board Member Comments:

Emily Dunn stated she appreciated the Veteran's Day programs presented at the schools. Ms. Dunn also thanked Benny Long, Denver Foster, Sheila Loudermilk, and the bus drivers who attended the board meeting for the good work they do.

Terry Bramlett stated he echoed Ms. Dunn's comments. Mr. Bramlett stated he knew the bus driver who drove the route in his area rarely took a sick day because he did not want a substitute to have difficulty with the winding road. Mr. Bramlett also stated he was excited with the information Mrs. Berrong presented on curriculum maps. Mr. Bramlett stated he thought it was important for teachers of the same grade throughout the system to have the same map and know what each other was doing.

Junior Farmer thanked everyone for doing a good job handling all of the things the school system has gone through this past week.

Garnett Webb stated he had a lot of respect for bus drivers. Mr. Webb stated he had attended two of the Veteran's Day programs, and he was very pleased. Mr. Webb shared that he ate a Thanksgiving meal at the high school and he enjoyed it. Mr. Webb also said that being a school board member for the past four years has been a highlight of his life.

Bobby Bearden stated he was in agreement with all of the comments previously made by the other board members. Mr. Bearden also stated as board chairperson he had worked closely with the administrators over the past two years, and he could vouch for the fact that Benny Long was very safety conscious.

There being no further business to come before the meeting, upon motion duly made, seconded, and carried, the meeting adjourned subject to being called into special session by the chairman when deemed necessary.
