Hello, Families!

NCES Family Check-In: Only two weeks remain to this school year. If there is anything we can do to support you and your family during this time, please take a minute to complete the check-in to let us know.

Purchasing a Yearbook: If you would like to purchase a yearbook this year, the process is a bit different due to COVID. Please click the following link to order:

<http://www.prestophoto.com/bookstore/453143>. Note that the yearbook will be sent directly to your home address. Thank you to Mrs. Johnson and the eighth grade students who helped her to make the yearbook possible this year!

Field Day Schedule: Next week we will have field day, modified to maintain the CDC and state requirements. The scheduled time for your child can be found in the chart below. Please be sure your child has a water bottle. If we need to reschedule any grades due to inclement weather, your child's teacher will let you know which day the following week will be the make-up time scheduled:

Greetings from the NCES Library and Mrs. Erickson: It is that time of year when we need to return our library books. Please check in your classroom and at home for any books that need returning and we will also send out notices next week for any books we have not received back yet. Even though the school library will be closed for the summer, here are some ways you can still access library books:

- 1) Visit the Douglas Library in person or use your library card number to access their online library which has tons of great books!
- 2) Visit Epic or Sora (*They are available all summer.*)
- 3) Visit Destiny Discover and scroll down to the 'Ebook' section. You can get to Destiny by going to the 'Student' tab, then 'Library' on the NCES website. Happy Reading!

You can always reach me at aroy@nceschool.org or (860) 824-5149.

Stay Safe and Well,
Dr. Roy
