

BYOD Form

You have chosen to bring you own device and not use the device owned by Alexander City Schools (ACS). Your device must be a Chromebook, and it will be entered for internet access by using its WIFI address and may be removed at any time if a problem arises. You will have internet access only and be totally isolated from the ACS network with no access to wireless printers or any other device within our network. Your device will be subject to the same restrictions as the ACS devices regarding access to the internet. Please sign and date below indicating that you understand this information.
