Highlights from Letters to Power 88

- I listen to Power 88 every morning and afternoon. I work at Baldwin County High School. The last song I hear before I go into the school is usually the tune that I hum or sing all day. Occasionally a student will hear me and ask what I am singing. That is when I get to share with them that it is a Christian song that I was listening to on the radio. Your radio station has allowed me to be able to share Jesus with students and other teachers around me. Thank you for the wonderful feeling you leave inside my heart every day.
- I would like for you to know how much I appreciate WLPR for being on the air. It has been a pleasure. My car radio is set on 960-AM. Keep up the good work and thanks for bringing such joy into my life.
