

Southwest Georgia STEM Charter School
Policy P7: Professional Learning
Adopted: October 22, 2020

Southwest Georgia S.T.E.M. Charter School is committed to the establishment and implementation of a comprehensive improvement plan designed to improve educator effectiveness and result in increased student achievement. The Board shall develop a professional learning plan as a component of the school improvement plan that will organize and direct all professional learning to enhance the knowledge, skills and practices of district personnel.

The School Leader or her designee shall facilitate the development, implementation, monitoring, and evaluation of the district's professional learning. The plan for professional learning should be based on multiple data sources including, but not limited to, student achievement and teacher/leader effectiveness measures. The School Leader shall be responsible for engaging teachers and other district personnel in on-going professional learning.

Personnel who successfully complete conferences, workshops or courses approved by the professional learning coordinator may be reimbursed for expenditures by submitting such requests in accordance with district procedures.
