Special Education Director

October 29, 2020

Dear Lin-Wood Families:

Back in September we notified all of our Lin-Wood families about a USDA program that provides free meals to all children 18 and under in our district. Originally the free meals were going to be available until December 31, 2020. We just received notification that this will now continue through the end of this school year, **ending June 2021**.

Students and families do not need to do anything to receive the free meals through the Lin-Wood School Foodservice program. Students in school may continue to order the regular breakfast or lunch that is offered that day.

All students are able to receive a free breakfast and free lunch everyday – no matter whether they are attending classes on campus or participating in remote learning. Meals can be served to children directly or to adults caring for children at home. Families that are learning remotely should contact Lin-Wood food service @ 603-745-2214 ext. 228 to make arrangements for meal pick-up at the school.

Items such as bottled beverages, milk sold separately and other “a la carte” items are available as well. These items are not included in the USDA program and can only be sold to students in school who have available funds on their lunch account. A la carte food items or incomplete, non-reimbursable meals will not be allowed to be purchased if a student has a negative account balance (Policy EF-R). During COVID-19 we strongly discourage payments by cash; the preferred methods of adding funds to accounts are prepayment by check or using the online payment portal:
<https://www.myschoolbucks.com/ver2/login/getlogin>.

Please contact the Lin-Wood SAU office @ 603-745-2051 if you have any questions.

Sincerely,

Judith A. McGann, Ed. D.
