Thank you to all the classes for the donations for December. We collected 60 items to donate to Cumberland County Code Blue. All the donations were delivered this weekend. ADS Room 28 was the winner for this month.

**Next month we are collecting new socks to help keep the homeless warm for winter.**

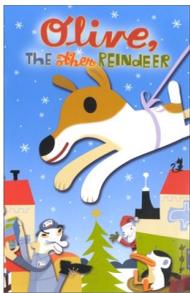

## Daniel and Tysai's Tech Talk-

My Hanukkah is a great free app that teaches kids the story of Hanukkah, through a read along story with cartoon characters. The animated characters tell of the story of the Maccabee's fight against the Greeks who ruled over them, the cleaning and rededication of the temple, and the miracle of the oil lasting 8 days. You can light the menorah, color pictures from the story, learn the traditional songs and even listen to the prayers sung.

### Olive, the Other Reindeer

Written by Vivian Walsh

Illustrated by J. Otto Seibold

This is the story of Olive, the dog who thinks she's a reindeer. Can you guess why she thinks that? In the book she hops on the Polar Express and goes to the North Pole. Some funny things happen to her while she's there!

Liz thinks the falling flutes are "epic!"

George liked the pictures and they reminded him of his four dogs.

Sarah thinks Olive is adorable.

Kayla wants to tell everyone that this book is on Tumblebooks. <https://www.tumblebooklibrary.com> (For logon information please contact the assistant principal, Dr. Zink at [gzink@sjogcs.org](mailto:gzink@sjogcs.org))

## ANGELICA AND AMIRA'S AWESOME MOVIES-

Star Wars: The Rise of Skywalker is the final movie in the Star Wars saga that began back in 1977. Over 40 years and 9 movies later the story of Luke, Leia, and Han Solo, is now the continuing story of Rey, Po and Finn. The role of bad guy Darth Vader, is now filled by his grandson Kylo Ren; but is he really all bad? Will Kylo Ren finally be redeemed and become Ben Solo again? Will the evil Emperor return? Will we find out who Rey's parents are? So many storylines to tie up and hopefully the fans will get the answers they have been waiting over 40 years for. Find out when Star Wars: The Rise of Skywalker opens in theaters Friday, December 20<sup>th</sup>.

## How's it Growing with Horticulture?

Tessa Cotta, professional potter from Wheaton Arts, assisted our Tuesday and Wednesday morning horticulture classes in the making of clay garden pots/dishes. It was an wonderful sensory activity for our students. The student-created pots will be fired twice at Wheaton Arts and will be returned for painting sometime this winter.

### St. Nicholas Strawberries

*Strawberry St. Nicholas's made with cheesecake crème hold their shape and do not collapse like whipped cream or other softer mixtures. Use leftover filling as a delicious fruit dip.*  
Strawberries Cheesecake Crème Chocolate syrup

Slice hulls off strawberries so they will stand up straight. Cut tops off to be the miter. Place a blob of cheesecake cream on bottom strawberry piece. Use a toothpick to draw cross on the "miter" piece. Put "miter" on top of the cream filling. When all strawberries are put together, use a toothpick to make chocolate syrup eyes. Chill until ready to serve.  
CHEESECAKE CREME

1 7-ounce jar marshmallow crème  
1 8-ounce package cream cheese (regular, not low-fat)

Mix marshmallow crème and cream cheese until well blended. Makes 2 cups.

\*Use regular cream cheese, low fat cream cheese will make the filling runny. You can also use banana slices to make the "face".
